

Add a Panopto Course Folder Link in Brightspace

Quick Summary

This guide explains how to create and link to a Panopto course folder inside Brightspace so students can access course video folder. If you want to add a link to each individual video you do not need to add a course folder link. For an explanation of the Panopto course folder see “Panopto my folder and Panopto course folder” How to Document.

Here is a quick overview of the steps covered in this tutorial.

1. Select Existing Activities in the desired module
2. Select External Learning Tools
3. Select Panopto Course Folder Tool

Add a Panopto Course Folder Link

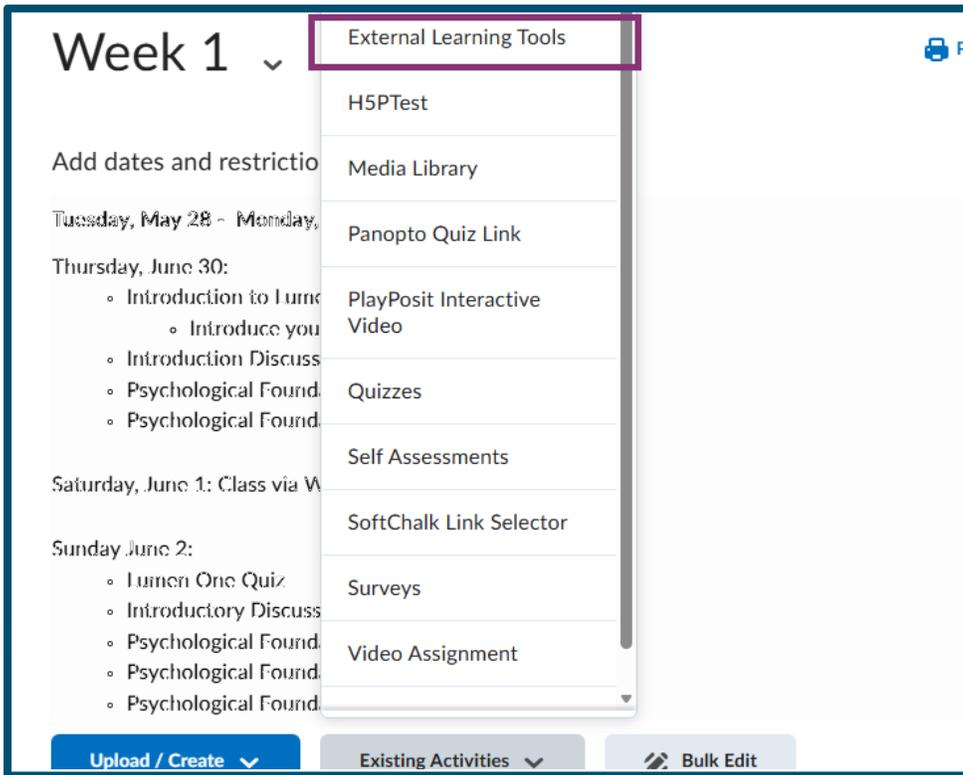

Step 1: Select Existing Activities in the desired module

- Go to your course in Brightspace
- Select Content on the Navigation Bar
- Open the module where you want the Panopto folder link.

- Select Existing Activities.

Step 2: Select External Learning Tools

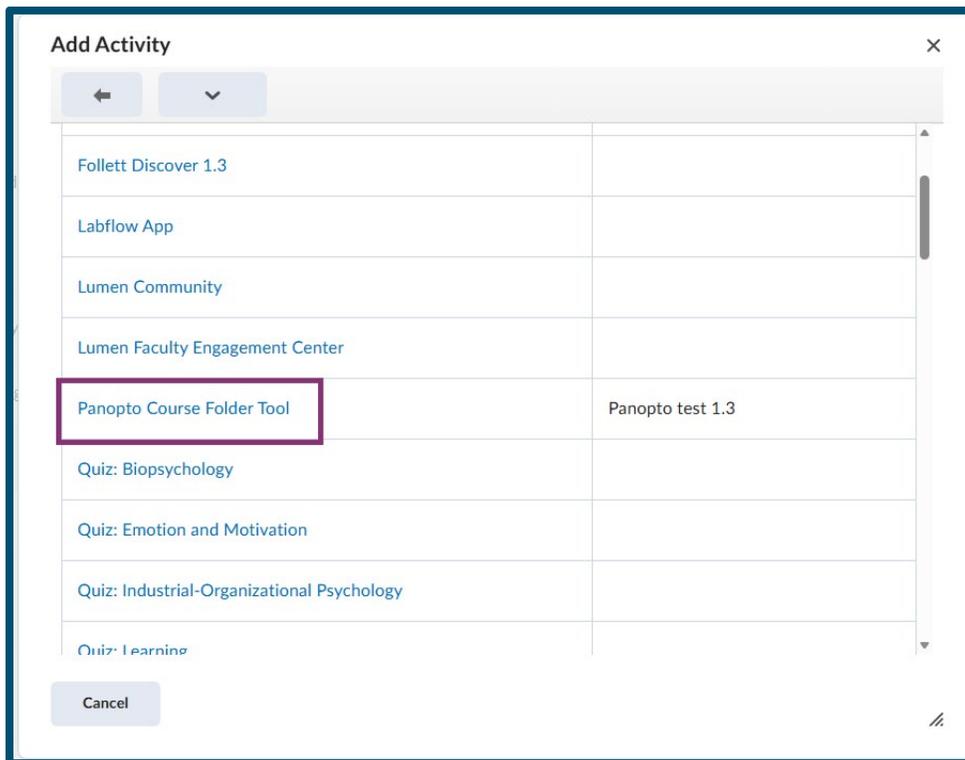

The screenshot displays a course management interface for 'Week 1'. A dropdown menu is open, showing various external learning tools. The 'External Learning Tools' option is highlighted with a purple border. The menu items include:

- H5PTest
- Media Library
- Panopto Quiz Link
- PlayPosit Interactive Video
- Quizzes
- Self Assessments
- SoftChalk Link Selector
- Surveys
- Video Assignment

The background shows a course schedule for Week 1, including dates and activities. At the bottom, there are buttons for 'Upload / Create', 'Existing Activities', and 'Bulk Edit'.

Step 3: Select Panopto Course Folder Tool.

The course folder tool will now appear in your course module. When students use this link they will be able to view all of the videos in the course folder.

Need Help?

If you need help adding a Panopto folder in Brightspace, email helpdesk@tri-c.edu to get assistance from the Help Desk. If you are looking for expert advice on organizing course content or structuring modules to promote student success [schedule an appointment](#) with the Instructional Design team.
