Add Panopto Quiz Links in Brightspace

Quick Summary

You can add quiz questions to your Panopto videos. These Panopto Quizzes add an element of interactivity and formative assessment to your content that could benefit your students. Here are the steps to add a Panopto Quiz you have already created within a Brightspace Module. After you have added quiz questions to your video in Panopto, follow these steps to add it to a Brightspace module.

To add the Panopto Quiz, follow these quick steps:

1. In your Brightspace Module, select Existing Activities
2. Choose Panopto Quiz Link
3. Select a grade method
4. Insert

To add a Grade Item for the Panopto Quiz, follow the steps below:

1. Return to the module and select the video link
2. Scroll down and select Add a grade item
3. Select + Grade Item
4. Name the grade item, enter points, add any other settings/restrictions desired, and select Create
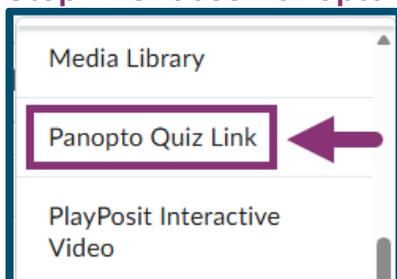

These steps outline the process to add a Panopto Quiz in a Brightspace module, but do not explain how to build a Panopto Quiz. Visit this webpage, How to Add a Quiz to a Video, for more information on building a Panopto Quiz.
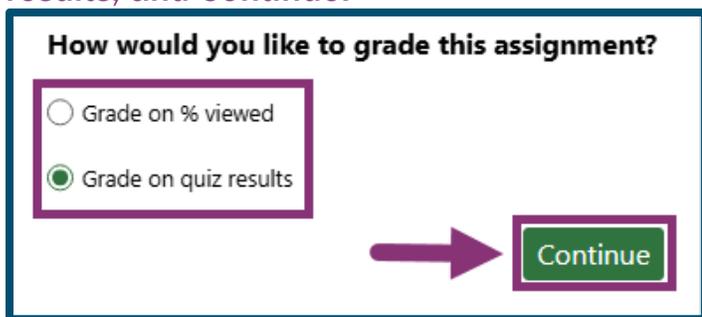

Add a Panopto Quiz Link to a Module

Step 1: In the course and module you desire, select Existing Activities.

Step 2: Choose Panopto Quiz Link from the list of options.

## Step 3: Choose a grade option, either Grade on % of the video viewed or Grade on quiz results, and Continue.

How would you like to grade this assignment?

○ Grade on % viewed

◉ Grade on quiz results

➡️ Continue

Step 4: Select the desired video and Insert.
