UNSUBSIDIZED LOAN REQUEST WITHOUT PARENT DATA

Student "My Tri-C" ID number: S

Student **LAST** name (one letter or dash or space per box) | Student **FIRST** name | MI

You recently completed your 2021-2022 Free Application for Federal Student Aid (FAFSA) without providing parent data. Additionally, you answered "no" to all questions regarding dependency, so you cannot be considered an independent student. Currently, your FAFSA is not complete because it lacks parental data.

If you feel you should be considered an independent student because you have an estranged relationship with both of your biological or adoptive parents, please contact our office regarding the possibility of completing a form to override your dependency status.

If you do not submit parent information on the FAFSA, your only option for financial aid is a Federal Unsubsidized Loan. This loan accrues interest while you are in school.

Maximum Loan Amounts: (0-29 credits) - $5,500 / (30+ credits) - $6,500

I will not complete my FAFSA with parent information. I certify that my parent(s) has ended financial support and refuses to complete the FAFSA. I wish for Cuyahoga Community College to award me a Federal Unsubsidized Loan for the maximum amount. My signature above is considered acceptance of this loan as well, and I understand that this is the only type of financial aid available to me.

Student Signature:_____ Date: _____

I/we, parent(s) of the above student, certify that we have ended financial support of the student and refuse to provide the required information and signatures on the 2021-2022 FAFSA.
