

3354:1-20-06 Procurement policy.

- (A) When making procurements, the College shall use sound business procedures. These procedures will be designed to ensure:
 - (1) Timely receipt of procurements of a quality and price appropriate to the needs of the College;
 - (2) Compliance with applicable laws; and
 - (3) Provision of economic opportunities for the Cuyahoga County community.
- (B) “Procurement” means a purchase, lease, or other acquisition of use or ownership rights to any goods, services, real estate, or works of improvement.
- (C) Only the Treasurer or the Treasurer’s designee may enter into procurement agreements on behalf of the College, except when otherwise provided by law or Board resolution.
- (D) The President or the President’s designee is hereby directed to take all steps necessary and appropriate for the effective implementation of this policy.
