## Count Me In! Tour Helps Account for Students' Future Success

Friday, November 15, 2019

The annual "Count Me In!" tour, held late last month, offers Tri-C accounting students exposure to career opportunities at three local employers: Progressive Insurance, Meaden & Moore and the Tri-C accounting department. In addition to providing presentations and tours of their facilities, employers showcased job opportunities for students graduating with two-year degrees.

Progressive representatives explained that Tri-C graduates could gain entry-level, full-time employment with benefits and an opportunity for tuition reimbursement to continue toward a bachelor's degree.
