**About the Instructor:**

Madalyn “Madds” Lucier is a practitioner of multiple Hip Hop & Street Dance genres, specializing in House dance. Beginning her dance journey at age 28, she trained in NYC for five years and has since returned to Cleveland to build with the community in her hometown. Madalyn serves as a teacher, ‘10K Elite’ performance team member, and as Associate Director for [10K Movement](#), a local platform for Hip Hop & Street Dance — providing education, performances, and events for the local and larger Street Dance community. Fun fact: Madalyn was also a member of the Cleveland Cavaliers’ Scream Team (2022-2023).
