Where I'm from, Where I'm going

I'm from china. My City is very big very beautiful. There are so many buildings, so many cars. There have more fruit trees. When spring is coming, more fruit flowers are blooming, very beautiful. After waiting a few months, there will be a lot of fruit soon. Although it is hard work, But We are very Happy.

Where you want to go in the future

I want go to China. This is a very big and very beautiful city. They have more fruit. I like it. Spring is coming Now. Open flowers. Very beautiful. There are my family and my friend, so I want go there. I want to find a babysitter Job. I very like children. I have two children although their noisy, but I like them.
