I am from Puerto Rico, Ponce. The people of Puerto Rico work, go shopping, go to the supermarket, and share with relatives. In Puerto Rico it has many rivers, beaches, and water parks.

The family has many parties, birthdays, summer, Easter days, mother's days, father's days, thanksgiving days, Valentine's Day, Christmas days and days of new year's.

Kids play bike and 4-wheeled skates and play PlayStation 4 and Nintendo switch and go to the water parks in summer.

Puerto Rico is small, but it has many beautiful rivers, beaches, and water parks for kids and adults.
