Where I'm from, where I'm going.

I'm from Ukraine. My city is Kalush. It is in the west of my country. There are many rivers, mountains, waterfalls and beautiful buildings. Many people grow vegetables and fruits in their gardens. There are people work, rest, dream, believe and hope. They care about the life and health. Also, they care about peace and quite in the country. In my country people wear comfortable and beautiful clothes. There are smells fruit trees and grandma's cakes.

Where I want to go in the future.

I want to go in the Italy in the future, because it's very beautiful country. Also, I like Italian language and food. In future, I want to come in my native country. I dream about the photographer job. Most of all I like to take pictures of animals. I would like have a happy future with my family and friends. My biggest dream is for peace in my country and in the world. I look to the future with the hope of a better change in everyone's life.
