**Please note:** Students enrolled in less than halftime (1-5 credit hours) will have living expenses and personal expenses removed from their Cost of Attendance (COA) budget. This chart is an average of what school could cost. Students enrolled in all terms (Fall, Spring and Summer) will have a COA reflecting both academic year and summer only in the total COA.

The established COA does not directly reflect what you will pay. Your actual COA may differ from the figures shown above due to variables such as supplemental program fees, supplies and other related expenses.
