Are You Interested in Helping Others and Making a Difference?

Registration begins March 18, 2019

Emergency Medical Technician is an important first step toward your career. Tri-C is currently accepting applications for the Emergency Medical Technician certification program.

- Financial Aid/Veterans benefits available to qualified students (AAS degree seeking)
- Progression to Paramedic certification program
- Use college credit earned in this course toward a college degree
- For program information, contact the Program Manager Edward Bak, or the Program Assistant Nyki McShane at 216 987-4449, or go to our website at www.tri-c.edu/emt.
