Dear Prospective Emergency Medical Technology Student,

Thank you for your interest in the Emergency Medical Technology (EMT) program at Cuyahoga Community College (Tri-C®) — where futures begin. Our program is accredited by the State of Ohio Division of EMS to offer Emergency Medical Responder, EMT, Advanced EMT and Paramedic Certification courses. We also provide continuing education for all levels of EMT.

The EMT program is focused on student success. We are pleased to help you design a plan for your success here at Tri-C, as well as in your EMS career. We work closely with Fire Academy staff to help those seeking a career in firefighting to attain their goals.

The College accepts applications for the EMT program on a continual basis. Call the EMT office for information regarding approval to enter the program. Submitting your application early better enables us to assist you in your plan to achieve certification. A background check from the College-approved vendor is required in order to give departmental approval for certification courses. EMT certification classes are offered every semester. The Paramedic certificate program begins each fall and spring semester.

Questions pertaining to Tri-C’s EMT program may be directed to the EMT office at 216-987-4449. We wish you success in reaching your educational goals.

Sincerely,

Ed Bak

Emergency Medical Technology Program

The Emergency Medical Technology department at Tri-C routinely offers:
- Short-Term Certificate for EMT Basic
- Certificate of Proficiency for Paramedic
- Associate of Applied Science (AAS) in EMT
- Associate of Applied Science (AAS) in Fire-Emergency Medical Services

Credits earned in the EMT and Paramedic certificate programs are applied toward the AAS in EMT or Fire-EMS.

The program can be accomplished in a traditional college degree sequence, or students may take the EMT and Paramedic certificate courses first and then complete the associate degree requirements after achieving state certification and pursuing employment.

Disqualification

Ohio Administrative Code precludes admission of students to EMT certification courses with a felony on their record.

The State of Ohio EMS Board individually reviews the applications for certification of those with misdemeanor convictions after a background investigation by division staff. They may choose not to certify these individuals. These applications are handled on a case-by-case basis, after course completion. There is no mechanism to pre-review the circumstance to determine certification eligibility.

Students who are charged or convicted of a felony or misdemeanor involving moral turpitude while in the program may be suspended or dismissed from the program.

Application process:

- **College application**: Submit a Tri-C General Application for Admission or Readmission if you have not applied to the College in the past. An online application is available at [http://www.tri-c.edu/apply](http://www.tri-c.edu/apply).

- **English and Math assessments**: Complete Tri-C English and math assessment tests. Sample tests and information about the assessment centers are available at [http://www.tri-c.edu/placement-testing/index.html](http://www.tri-c.edu/placement-testing/index.html).

- **EMT/Health Careers application**: Complete the Health Careers Program Application as well as the EMT program application's Student Information and Self Evaluation forms. The Health Information form can be forwarded later. Additional EMT information is available at [http://www.tri-c.edu/emt](http://www.tri-c.edu/emt).

EMT Certification Program and Short-Term Academic Certificate

Program Description

The EMT Certification Program (EMT-1302 and EMT-130L) at Cuyahoga Community College is entry-level training for the professional pre-hospital care provider. Students who successfully complete the program are eligible to take the National Registry of EMTs cognitive exam, which is required for State of Ohio EMT Certification. State of Ohio EMT Certification is required by state rule to continue on to EMT-Intermediate or Paramedic. The EMT short-term certificate is an academic credential awarded by Tri-C that includes Anatomy and Physiology for Paramedics (EMT-1401). This course is required\(^1\) to advance to the Paramedic program.

Paramedic Certification Program and Short-Term Academic Certificate

Program Description

This program is significantly revised, effective fall 2012. The Paramedic certificate program requires successful completion of the EMT Basic certification program, including Anatomy and Physiology for Paramedics (EMT-1401). This serves as the state-required anatomy and physiology prerequisite for Paramedic certification. Students who have completed BIO-2331 and BIO-2341 (Anatomy and Physiology I and II) may substitute these for EMT-1401. Students who completed EMT training through another institution will need to take either EMT-1401 or BIO-2331 and BIO-2341, or have approval for equivalent courses completed elsewhere, to meet this requirement. Students then continue into EMT-2330 through 2370 (Paramedic Theory I-V) courses. The total paramedic hours required for certification exceeds 900 contact hours. Students who successfully complete the certificate program are eligible for National Registry of EMTs Paramedic test, the state of Ohio’s certification examination.

Admission and Retention Requirements

Minimum requirements for admission into the Paramedic Certification program are listed below.

<table>
<thead>
<tr>
<th>General Admission to Tri-C</th>
<th>Complete general requirements for admission (described on page 3).</th>
</tr>
</thead>
<tbody>
<tr>
<td>EMT Certification</td>
<td>Provide evidence of certification as an EMT in the State of Ohio to continue into Paramedic Theory I (EMT-2330).</td>
</tr>
<tr>
<td>English and Math Assessments</td>
<td>Eligibility for ENG-1010 and MATH-0955 on placement exams to continue into EMT-2330.</td>
</tr>
<tr>
<td>Good Standing in Program</td>
<td>Maintain a “C” or higher in EMT-1401 and EMT-2330 through 2360.</td>
</tr>
<tr>
<td>Background Check</td>
<td>If new to the program, or returning more than two years after beginning EMT, complete required Health Careers approved background check. Additional information about background check available at <a href="http://www.tri-c.edu/programs/health-careers/background-check-information-bci.html">http://www.tri-c.edu/programs/health-careers/background-check-information-bci.html</a>.</td>

Background Check and Conviction of Crime
Acknowledgement

I understand and acknowledge that Cuyahoga Community College District (“the College”) may develop or obtain one or more criminal background checks (“CBC”) pertaining to me. The CBC may be used for evaluation of my eligibility for one or more limited-entry programs of the College, and eligibility for one or more clinical/practicum/internship training requirements with third-party organizations. I understand and acknowledge that the CBC may contain information concerning my criminal background. In all cases, all expenses associated with the CBC are to be my responsibility. If the results of the CBC are not deemed acceptable by the College, or if information received indicates that I have provided false or misleading statements, have omitted required information or in any way am unable to meet the requirements for completion of the program, my admission may be denied or rescinded, and/or I may be disciplined or dismissed. I further understand and acknowledge that if, while I am a student, I am convicted of a crime of any type, other than a minor traffic violation, I must report the offense to the applicable program manager in writing within 30 days of conviction (conviction includes plea arrangements, guilty pleas, pleas of no contest, findings of guilt, etc.).

I understand and acknowledge that these background checks will be obtained by the vendor chosen and specified by the College. The current vendor for this service is CastleBranch, with corporate headquarters located at 1844 Sir Tyler Drive, Wilmington, NC 28405 (1-888- 823-4263). The vendor is subject to change at any time. Background checks obtained from a vendor other than the vendor chosen and specified by the College will not be accepted.

I acknowledge and understand that I may not be admitted to a clinical setting, be permitted to test for or be granted licensure or accreditation if I have been or in the future am convicted of a crime. I acknowledge and understand that admittance to a limited-entry program and/or completion of a program in no way guarantees that I will receive licensure, be permitted to practice and/or obtain future employment. I understand that I am financially responsible for all costs incurred as a student.
