

CUYAHOGA COMMUNITY COLLEGE  
Nuclear Medicine Program

OBSERVATION VERIFICATION FORM

To increase applicant's awareness of the responsibilities of a Nuclear Medicine Technologist, verification of observation of Nuclear Medicine Department activities is required. All applicants are required to visit any two of the clinical affiliates. A list of affiliates names, addresses and phone numbers is found below. It is the applicant's responsibility to make an appointment at least two weeks in advance with the Nuclear Medicine Department representative of the hospital. Appropriate dress (business casual) is required for the observation visit. Expect to spend a minimum of 4 hours observing each of two clinical affiliates (total of 8 hours). Observation verification forms must be completed and returned by the applicant to the Program Manager once accepted into the program.
