

PHYSICAL THERAPIST ASSISTING PROGRAM
CUYAHOGA COMMUNITY COLLEGE
Experience Verification Form

Student Name _____ **Date of Application:** _____

Applicants to the PHYSICAL THERAPIST ASSISTING PROGRAM at Cuyahoga Community College are required to obtain 40 hours of documented volunteer, observation, or work experience in a physical therapy environment, under the supervision of a physical therapist or physical therapist assistant. This experience allows the student to observe physical therapy in action in order to gain familiarity with the tasks and requirements of the field.

For ALL PTA Program applications submitted, the following experience requirements must be met:

1. Students must complete the 40 hours within 2 years prior to submitting their application to the program.
2. Students must split the 40 hours between at least 2 different types of physical therapy environments, with a minimum of 10 hours at each facility.
3. Students must attach a business card or other printed media from the facility where the hours are completed.

This form may be used for up to 2 different facilities. Please attach business card or other printed media from each facility.
