

Veterinary Technology Program Admission Checklist

Use this checklist to ensure all admission requirements are completed.

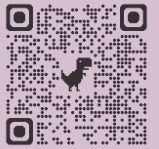

1

Become a Tri-C student.

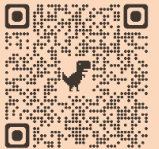

2

Set up an academic plan with an academic counselor.

3

Read the Veterinary Technology FAQ on Tri-C's website.

4

Apply to the Veterinary Technology program using the "Get Started Interest Form/Application."

5

Check your messages in your Tri-C email account regularly for important program status updates.

6

Register for and complete your prerequisite Veterinary Technology courses.

7

Hurray, you met all the academic prerequisites!
Monitor your Tri-C email for updates on your program admission status.

While you are waiting to begin the program, complete your Arts and Humanities class as well as your Communications class. Find these in semesters 3 and 4 of the program sequence.

8

Attend the mandatory New Student Orientation and the Animal Care and Enrichment Orientation when you receive an invitation.
