Minority Women's Leadership Initiative

Mission

To uplift and encourage minority female students, by supporting them in academic, career and personal success.

Vision

This program will promote holistic self-awareness that will develop professional expertise, civic responsibility and engagement, and the ability to balance college life with the obligations unique to the female population. The program supports student matriculation, graduation and successful transfer.

Criteria

- Minority female student enrolled at Tri-C
- Active member of the Black American Council
- Maintain standards of academic progress

Goals and objectives

- Develop a platform for dialogue, introspection and reflection while fostering a sense of belonging.
- Connect students with professionals who will serve as viable resources and mentors.
- Provide academic, cultural and holistically fortifying events and activities.
- Increase the ability to balance personal and academic demands
- Conduct student - requested group sessions as it connects to success and completion

“We must not, in trying to think about how we can make a big difference, ignore the small daily differences we can make, which, over time, add up to big differences that we often cannot foresee.”

Marian Wright Edelman

“Don't let anyone rob you of your imagination, your creativity, or your curiosity. It's your place in the world; it's your life. Go on and do all you can with it, and make it the life you want to live.”

Mae Jemison
