Agreement Guidelines

I hereby agree to register a locker from the Metropolitan Campus Student Life Office. I accept the locker “as is” and understand that I must furnish my own lock and that the lock must always stay on the assigned locker for the entire semester(s). I also understand that Cuyahoga Community College; its employees and agents assume no responsibility for any loss, or theft, or damage of the locker contents or the student’s lock. This agreement becomes effective as soon as signed by the student and shall terminate on the last day of the semester(s) of registration indicated.

I hereby authorize Cuyahoga Community College, its agents and employees, to remove my lock, through whatever means necessary, if I fail to remove my lock within three (3) calendar days of the termination of this agreement and I understand that all my contents will be discarded. Nothing in this Agreement will prohibit a member of the Colleges campus police from independently and immediately, if necessary, inspecting a college locker if the member of the College’s campus police determines that probable cause exists to initiate an inspection.

Students have until one week after the end of the academic year (May 18) to remove their belongings and their lock. Any locker not cleared by this date will have the lock cut and contents removed by Student Life staff.
