

# What Happens with a Behavior Intervention Report?

1

Professor may address issue with student and also submits a report.

2

Report is received by Student Affairs and is sent to the assistant dean of Student Affairs. An automatic confirmation is sent to the person filing the report.

4

Appropriate area attempts to contact the student (email, phone, text) and assist with issues/resources.

3

Assistant dean acknowledges receiving report and assigns student outreach to appropriate area (counseling, financial aid, SAS, etc.).

5

Student may be identified for on-going support.
