Student Leadership
Certificate Program

Cuyahoga Community College

General Leadership Certificate Program Requirements

The Student Leadership Certificate program at Cuyahoga Community College (Tri-C®) is designed to support self-exploration and discovery. Participants have the opportunity to achieve three successive, noncredit leadership certificates: General, Advanced and Distinguished.

While requirements vary, each certificate focuses on gaining experience within three categories: Diversity and Inclusion, Personal Development, and Core Responsibility.

Contact your campus Student Life and Engagement office for more information.

Diversity and Inclusion

- Attend Stand For Racial Justice or Diversity event and write a 250-word reflection.

- Research the Black American Council, Hispanic Council and SOGE Council. Submit a description of each group, along with a 250-word commentary on why these groups are important to the Tri-C community.

Personal Development

- Interview a member of Student Government or the Board Student Scholar. Summarize their responses to the SG/BSS Interview Questions, then find a song, poem or artwork you feel reflects what you heard in the interview. Submit a 250-word reflection explaining why the work you chose represents the interview. (Lyrics/prose do not count toward the 250 words.)

- Watch **one** of the following webinars, then write a 250-word reflection.
  - Time Management
  - Motivation
  - How to Present the Best You Online
  - How to Run Productive Virtual Meetings

Civic Responsibility

- Find a poem or song about a civic or social issue such as, but not limited to, topics on racism, voting, protest, sexism, poverty, etc. Write a 500-word essay citing two references that explains the theme of the work and demonstrates its social significance. (Lyrics or prose do not count toward the 500 words.)

Submit completed materials to your campus Student Life and Engagement office.
