**Associate of Arts - Emphasis on Business
to Bachelor of Science in Business Administration
and dual major in Management and Leadership**

This map represents one example of how to complete the AA and BA degrees. Students should work closely with advisors at both institutions to discuss options. Students should work with a Franklin advisor to identify a (minor or a second major/etc.). A Franklin advisor can also assist students with developing a graduation plan for full- or part-time study.

***Course sequence may change based on the individual needs of the student and schedule type required.**

**** Students should complete the following mathematics course as part of the AA degree prior to transferring: MATH 0965 or MATH 1270 or MATH 1470 or MATH 1521 or MATH 1530 or MATH 1580.**

Program Benefits

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from Franklin University. This program includes a dual major while meeting the minimum number of hours needed for a bachelor's degree. **Students are able to take additional courses at Tri-C to transfer to Franklin beyond their AA, which allows them to save time and money. A maximum of 94 credits transfers to Franklin from Tri-C.**

All students must complete:

- A minimum of 124 semester credits (combined Tri-C and Franklin)
- Meet all residency requirements (30 credits for Franklin University)
