		12

**Bachelor of Arts Degree Awarded** Total hours:123

This map represents one example of how to complete the AA and BA degrees. Students should work closely with advisors at both institutions to discuss options. Students should work with a Franklin advisor to identify a (minor or a second major/etc.). A Franklin advisor can also assist students with developing a graduation plan for full- or part-time study.

\*Course sequence may change based on the individual needs of the student and schedule type required.

\*\* Students should complete the following mathematics course as part of the AA degree prior to transferring: **MATH 1270 or MATH 1470 or MATH 1521 or MATH 1530 or MATH 1580.**

**Program Benefits**

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from Franklin University. This program includes a dual major while meeting the minimum number of hours needed for a bachelor's degree. **Students are able to take additional courses at Tri-C to transfer to Franklin beyond their AA, which allows them to save time and money. A maximum of 94 credits transfers to Franklin from Tri-C.**

**All students must complete:**

- A minimum of 123 semester credits (combined Tri-C and Franklin)
- Meet all residency requirements (30 credits for Franklin University)
