

# A2BW - Associate to Bachelor's Program

## AS to BS in Biology

### Minor in Psychology

#### Suggested Sequence at Tri-C

\*\*For the best A2BW fit, students should complete the following math courses as part of the AS degree prior to transferring: **MATH 1410, 1470**

# These courses should be selected as part of the AS: **BIO 1500, 1510, 2331 or higher, 2500, CHEM 1300 130L, 1310, 131L and Honors options when available**

OT36 refers to the Ohio Transfer 36. Talk with a Tri-C counselor for more information.

| First Semester  |                              | Credits   |
|-----------------|------------------------------|-----------|
| Arts/Humanities | OT36 A&H course              | 3         |
| CHEM 1010       | Intro to Inorganic Chemistry | 4         |
| COMM 1010       | Fundamentals of Speech Com   | 3         |
| ENG 1010        | College Composition I        | 3         |
| PSY 1010        | General Psychology           | 3         |
|                 |                              | <b>16</b> |

| Second Semester |                                 | Credits   |
|-----------------|---------------------------------|-----------|
| BIO 1500#       | Principles of Biology I         | 4         |
| CHEM 1300#      | General Chemistry I             | 4         |
| CHEM 130L#      | General Chemistry Lab           | 1         |
| ENG 1020        | College Composition II          | 3         |
| MATH 1410**     | Elem Probability & Statistics I | 3         |
|                 |                                 | <b>15</b> |

| Third Semester      |  | Credits   |
|---------------------|--|-----------|
| Arts/Humanities     | OT36 A&H course (diff. subject than other A&H) | 3         |
| BIO 2331 or higher# | Human Anat. & Phys. 1 or higher                | 4         |
| BIO 1510#           | Principles of Biology II                       | 4         |
| CHEM 1310#          | General Chemistry II                           | 4         |
| CHEM 131L#          | General Chemistry Lab                          | 1         |
|                     |  | <b>16</b> |

| Fourth Semester |  | Credits   |
|-----------------|--|-----------|
| BIO 2500#       | Microbiology                               | 4         |
| Elective        | Any elective course                        | 3         |
| MATH 1470**     | Modern Math for Bus./Soc Sci               | 4         |
| SOC 1010        | Intro. Soc. suggested or SBS OT36 elective | 3         |
|                 |  | <b>14</b> |

Associate of Science Degree Awarded Total hours: **61\***  
\*A maximum of 60 credits transfers to BW for your AS degree.

#### Suggested Sequence at BW

Course sequence may change based on individual needs of the student, schedule type required, and completion of **BIO 1500, 1510, 2500 and MATH 1470** before transfer. (Recommended: MATH 1580 Pre-Calculus for graduate school; MATH 1610 Calculus I for medical school)

^These courses are recommended for graduate/medical school. They can be replaced with courses for other minors or electives as needed.

| Fifth Semester   |                       | Credits      |
|------------------|-----------------------|--------------|
| BIO 211          | Genetics              | 4            |
| BIO 222          | General Botany        | 3            |
| BIO 363          | Biology Seminar       | 0            |
| PHY 131^         | General Physics I     | 4            |
| PHY 151L^        | General Physics I Lab | 1            |
| Psychology minor | Any psychology course | 3-4          |
|                  |                       | <b>15-16</b> |

| Sixth Semester   |                        | Credits   |
|------------------|------------------------|-----------|
| BIO 221          | General Zoology        | 3         |
| BIO 263          | Sophomore Bio Seminar  | 1         |
| BIO 363          | Biology Seminar        | 0         |
| Elective         | Any electives          | 3         |
| PHY 132^         | General Physics II     | 4         |
| PHY 152L^        | General Physics II Lab | 1         |
| Psychology minor | Any psychology course  | 4         |
|                  |                        | <b>16</b> |

| Seventh Semester     |                                    | Credits   |
|----------------------|------------------------------------|-----------|
| BIO 363              | Biology Seminar                    | 0         |
| BIO 3XX subj area    | Environ./Struc/Func,Cell/Molecular | 4         |
| BIO elective         | Any biology course for majors      | 3         |
| Electives, if needed | Any electives                      | 3         |
| Psychology minor     | Any psychology course              | 4         |
|                      |                                    | <b>14</b> |

| Eighth Semester      |                                    | Credits      |
|----------------------|------------------------------------|--------------|
| BIO 363              | Biology Seminar                    | 0            |
| BIO 3XX subj area    | Environ./Struc/Func,Cell/Molecular | 4            |
| BIO 3XX subj area    | Environ./Struc/Func,Cell/Molecular | 4            |
| BIO 463              | Senior Seminar                     | 1            |
| Electives, if needed | Any electives                      | 1-2          |
| Psychology minor     | Any psychology course              | 3-4          |
|                      |                                    | <b>14-15</b> |

Bachelor of Science Degree Awarded Total hours at Tri-C/BW: **120**

**BW's Experiential Learning** requirement may be incorporated into the major, minor, or elective courses, summer internships, study abroad, or approved individual experiences.

**Additional information on back**

# A2BW - Associate to Bachelor's Program

## AS to BS in Biology

### Minor in Psychology

The A2BW program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from Baldwin Wallace University. A maximum of 60 credits transfers to BW from Tri-C for your AS degree, fulfilling most of the BW core requirements and guaranteeing junior status.

**Disclaimer:** Students should work with a BW academic advisor to identify a minor or second major, electives, and possible Experiential Learning options. A BW advisor also assists students with developing a graduation plan for **full or part time study**.

#### **All students must complete:**

- A minimum of 120 semester credits (combined Tri-C and BW)
- A minor or second major
- All residency requirements (45 credits for BW, including major and minor residencies)
- An Experiential Learning requirement (Ex: internship, field experience, study abroad, community service)

Students have the opportunity to attend both institutions at the same time through dual enrollment or cross registration.

#### **Dual Enrollment**

For more information about dual enrollment, visit: <https://www.bw.edu/undergraduate-admission/transfer/dual-admission/>

Or contact:

#### **Kelsey Zolac**
