

First Degree at Tri-C,[®] Second Degree Anywhere

Access • Affordability • Success • Completion

- ➔ National surveys indicate the majority of community college students intend to earn a bachelor's degree.
- ➔ Tri-C students who earn an associate degree prior to transferring to a four-year institution are more than 60% more likely to graduate with a bachelor's degree.

“The Transfer Center was instrumental in my transition to a four-year institution. Staff not only helped me through the application process for Case Western Reserve University, but they also inspired me by encouraging me to move forward and helping me become a better student. I am honored to have been admitted to Case, and I can say with assurance that this would not have been possible without the guidance and assistance of the Tri-C Transfer Center.”

– Agustin Torres

How to Begin Transfer Planning

Save time and money — investigate your transfer options early! Explore University Partnerships, Transfer Pathways, Dual Admission and other transfer options. Be sure to meet with:

- ➔ A Tri-C counselor to ensure proper course selection and create your academic plan: www.tri-c.edu/counseling
- ➔ A Tri-C transfer specialist to help navigate your transfer: www.tri-c.edu/transfer
- ➔ An admission representative and/or transfer advisor from a destination institution

Tuition Comparison 2018-2019 (Tuition and Fees Only)

Institution	Annual Tuition (12 hours per semester over 2 semesters)	Tuition Cost (Over 4 years to earn bachelor's)	Tuition Cost (2 years to associate+2 years to bachelor's)	Cost Savings of 2+2
Cuyahoga Community College	\$2,748	NA	NA	NA
Cleveland State University	\$10,386	\$41,544	\$26,268	\$15,276
Kent State University	\$10,756	\$43,024	\$27,008	\$16,016
The University of Akron	\$11,846	\$47,384	\$29,188	\$18,196
Baldwin Wallace University	\$32,586	\$130,344	\$70,668	\$59,676
Case Western Reserve University	\$48,604	\$194,416	\$102,704	\$91,712

Tri-C rates are for Cuyahoga County residents. Other schools' rates are for Ohio residents. All rates are for tuition only.

University Partnerships/Articulation Agreements

Tri-C has strong partnerships with many four-year institutions.

- ➔ Tri-C and its partner institutions create articulation agreements and easy-to-follow transfer pathways that help students map out the courses to take them from an associate degree to a bachelor's degree.
- ➔ Agreements can include:
 - Specific major or program admission requirements
 - Detailed course equivalency information
 - Other benefits, such as special scholarship opportunities

Dual Admission Partnerships

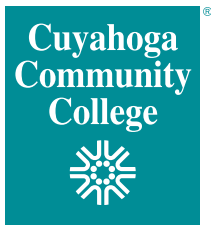

Dual Admission allows students to complete an associate degree at Tri-C while purposefully planning their transfer to a Tri-C Dual Admission partner institution for bachelor's degree completion. Students apply and must be accepted to both institutions under each school's admission requirements. Tri-C Dual Admission students have access to programs and services at both institutions, including advising, student services and student activities. In some instances, students may be able to enroll at both institutions simultaneously.

Bachelor's Degree on a Tri-C Campus

Did you know you can earn a bachelor's degree without leaving Tri-C? Students can earn bachelor's degrees from Franklin University, Hiram College or Tiffin University on a Tri-C campus or online. After completing an associate degree, students may be able to take additional Tri-C courses as part of their bachelor's degree program. For degree programs and Tri-C locations, visit the Transfer Center website under University Partnerships.

“The Transfer Center helped keep me on track in communicating with my advisors from Cleveland State. Not only did the staff encourage me to look into different colleges and universities and check out scholarship opportunities, they also supported me looking at schools ahead of time so that when I graduated from Tri-C, I would have an idea of which school and which career path to choose.”

– Daysean Scott
