MATH 1410 or 1490	Elementary Probability/Stats	3
		15

Bachelor of Science Degree Earned

124-129

This map represents one example of how to complete the AAB and BA degrees. Students should work closely with advisors at both institutions to discuss options. Students should work with a Franklin advisor to identify a (minor or a second major/etc.). A Franklin advisor can also assist students with developing a graduation plan for full- or part-time study.

***Course sequence may change based on the individual needs of the student and schedule type required.**

**** Students should complete the following mathematics course as part of the AAB degree prior to transferring: MATH 1470 or MATH 1530 or MATH 1580.**

Program Benefits

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from Franklin University. This program includes a dual major while meeting the minimum number of hours needed for a bachelor's degree. **Students are able to take additional courses at Tri-C to transfer to Franklin beyond their AAB, which allows them to save time and money.** (Tri-C courses taken after associate degree completion may not be eligible for financial aid, see Counseling Center or Financial Aid Office for details.) **A maximum of 94 credits transfer to Franklin from Tri-C.**

All students must complete:

- A minimum of 124 semester credits (combined Tri-C and Franklin)
- Meet all residency requirements (30 credits for Franklin University)
