Bachelor of Arts Degree Awarded      Total Hours:

<sup>1</sup> MATH-1800-1820 may not be used to meet this requirement. MATH-1410 or higher is recommended for students planning to transfer.

## Associate of Applied Business in Business Management to Bachelor of Arts in Business Management

This Transfer Pathway represents one example of how to complete the AA and BA degrees. Students should work closely with advisors at both institutions to discuss options. Students should work with a Hiram advisor to identify a (minor or a second major/etc.). A Hiram advisor can also assist students with developing a graduation plan for full- or part-time study.

**\*Course sequence may change based on the individual needs of the student and schedule type required.**

**\*\*Students should complete the following mathematics course as part of the AA degree prior to transferring: MATH1240 or higher**

**#The following courses should be selected as part of the AA:** (List courses, if any,

here.) BADM 2150 and BADM 2330

*Electives typically are best decided by the four-year partner school to meet institutional general education, major, prerequisite and/or degree requirements (Historical Reasoning, Diversity, etc.)*

### **Benefits**

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from Hiram College. A maximum of 75 credits transfers to Hiram from Tri-C for your Associate of Applied Business degree, fulfilling most of the Hiram core requirements and guaranteeing junior status.

### **All students must complete:**

- A minimum of **(120)** semester credits (combined Tri-C and Hiram)
- Meet all residency requirements **(45)** credits for Hiram), plus major and minor **residency)-depends on 4-year requirements**
