# Associate of Applied Business - Business Management To Bachelor of Science, Business Administration

This Transfer Pathway represents one example of how to complete the AAB and BS degree. Students should work closely with advisors at both institutions to discuss options. Students should work with an IWU advisor to identify an official plan of study for bachelor completion

**\*Course sequence may change based on the individual needs of the student and schedule type required.**

**\*\* Students should complete the following mathematics course as part of the AAB degree prior to transferring: *MATH 1240 or higher***

**The following courses should be selected as part of the AAB:**

- *A Natural Science Course may be taken at Tri-C. This could be any BIO, CHEM, ESCI, PHYS, or PSCI Course .*
- *Though not included in the AAB plan of study, students may decide to take 1 English Oral Communication Course and an Arts/Humanities (Art, Foreign Language, Humanities, Literature, Music, Theatre) course at Tri-C in order to fulfill additional IWU General Education Requirements.*

## **Benefits**

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from IWU. IWU will accept the transfer of your ENTIRE Associate Degree and ALL prior credits provided they meet the following criteria:

- Credits are from a regionally accredited institution
- A grade of "C" or higher was earned
- The courses were 100-level or higher (not pre-college, remedial, developmental, credits through testing or assessed learning)

## **All students must complete:**

- A minimum of **120** semester credits (combined Tri-C and IWU)
- Meet all residency requirements (30 credits for IWU)
