**\*12 elective credits must be earned in order to reach the graduation credit hour requirement of 120 credit hours for the award of a Bachelor of Science Degree. These may be taken at IWU, Tri-C or any regionally accredited institution.**

This Transfer Pathway represents one example of how to complete the AAS and BSCJ degree. Students should work closely with advisors at both institutions to discuss options. Students should work with an IWU advisor to identify an official plan of study for bachelor completion.

**\*Course sequence may change based on the individual needs of the student and schedule type required.**

**The following courses may be taken at Tri-C prior to transfer to fulfill additional IWU General Education Requirements. These Courses may *not* be eligible for financial assistance, please check with Tri-C Counseling and/or Financial Aid for more information.**

- *A Natural Science Course: this could be any BIO, CHEM, ESCI, PHYS, or PSCI Course*
- *1 Philosophy Course, 1 Social and Behavioral Science Course, and an Arts/Humanities (Art, Foreign Language, Humanities, Literature, Music, Theatre)*

### **Benefits**

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from IWU. IWU will accept the transfer of your ENTIRE Associate Degree and ALL prior credits provided they meet the following criteria:

- Credits are from a regionally accredited institution
- A grade of "C" or higher was earned
- The courses were 100-level or higher (not pre-college, remedial, developmental, credits through testing or assessed learning)

### **All students must complete:**

- A minimum of **120** semester credits (combined Tri-C and IWU)
- Meet all residency requirements (30 credits for IWU)
