	15		15
Total minimum credits earned at both institutions	120	Bachelor of Science in Business Administration Degree	

This Transfer Pathway completes the Associate of Arts degree, which must total at least 60 semester credits and includes 36-40 credits of the Ohio Transfer Module (OTM), which are approved Tri-C general education requirements. OTM details can be found at <https://www.ohiohighered.org/transfer/transfermodule>.

*This course can be substituted with a transferable Arts and Humanities course.

^ Tri-C equivalent course taken under SPCH will be accepted to meet this requirement.

#A student could replace these two courses by cross registering at JCU and taking EC 210 (4 credits).

¹Choose any two of these three courses

**These courses are a part of the reduced core curriculum for transfer students with more than 45 earned credit hours. For specific details, please see <http://sites.jcu.edu/core/pages/additional-integrative-core-policies/>.

Additional Information:

Assumptions: college-level readiness in MATH and ENG; no Foreign Language Deficiency (FLD). NOTE-this is different from the Foreign Language Requirement (FLR) which is a requirement in the College of Liberal Arts and Social Sciences at John Carroll University (JCU).

JCU proudly participates in reverse transfer with Cuyahoga Community College (Tri-C) and hopes to make this transfer process as smooth as possible; learn more about the reverse transfer process at <http://www.tri-c.edu/transfer-center/reverse-transfer.html>. Cross registration information can be obtained from the Registrar's Office at Tri-C. For more information, contact your campus Counseling Center or the JCU Admission Office at 216.397.4294.

John Carroll University requires a minimum of 120 total credit hours for graduation. At least 60 credits must be completed in-residence at John Carroll University. All general requirements, Core requirements, and all requirements for the major must be completed along with a quality-point average of at least a 2.0 for graduation. Students deficient in total credits or in-residence credits or in quality-point average requirements must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.

This information is provided solely for the convenience of the reader, and John Carroll University expressly disclaims any liability which may otherwise be incurred. This publication is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, John Carroll University reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein.

This map represents one example of how to complete the Associate and Bachelor's degrees. Students should work closely with advisors at both institutions to discuss options.
