

CUYAHOGA COUNTY COMMUNITY COLLEGE GENERAL EDUCATION/KENT CORE TRANSFER GUIDE

As part of the requirements for any bachelor's degree and the Associate of Arts and Associate of Science degrees, all students must complete a minimum 36-37 credit hours of the Kent Core distributed as indicated within the specific categories. [Learn more about the Kent Core.](#)

Kent Core (36-37 Credit Hours)		
Category	Credits	Attribute
Composition	6	KCP1 and KCP2
Math and Critical Reasoning	3 Minimum	KMCR
Humanities and Fine Arts	9	KHUM and KFA
Social Science	6	KSS
Basic Science	6-7	KBS and KLAB
Additional	6	KADL or any of the above

Colleges or degree programs may augment the university's minimum Kent Core, and they may specify for their students certain courses in fulfillment of the requirements. It is essential, therefore, that students consult that section of the catalog for their college and degree program. [Learn more about your degree program requirements.](#)

Courses that are equated to 1X000 or 2X000 are not directly equated to any courses at Kent State University; however, these courses can fulfill general elective credit that may be required. Once a student has been accepted to Kent State University, they may set up an advising appointment in their college office and supply their academic advisor with a syllabus for faculty review. If the course is approved as an equivalent, an adjustment will be made to the student's degree audit.

It is recommended that students intending to pursue a degree through Kent State University consult with academic advisors at both Cuyahoga Community College and Kent State University. [Connect with a transfer advisor.](#)
