| | | Total | 30 |

Bachelor of Science Degree Awarded Total Hours: 121

This Transfer Pathway represents one example of how to complete the AAS and BS degrees. Students should work closely with Counselors/Academic Advisors at both institutions to discuss options. A Mt. Carmel Academic Advisor can also assist students with developing a graduation plan for full-time or part-time study.

Course sequence may change based on the individual needs of the student and schedule type required.

** It is recommended that students complete the following mathematics course prior to transferring:

MATH 1410 Elementary Probability and Statistics I

This program awards maximum credit for an Associate of Applied Science degree from Tri-C and streamlines completion of a Bachelor degree from **Mt. Carmel**. A maximum of 48 GE and 42 Nursing credits transfer to **Mt. Carmel** from a Tri-C Associate of Applied Science degree, fulfilling most of **Mt. Carmel's** core requirements and guaranteeing junior status.

All students must complete:

- A minimum of 121 semester credits (combined Tri-C and Mt. Carmel)
- All residency requirements credits for **Mt. Carmel**, including any major and minor residency requirements
- An experiential learning requirement (internship, field experience, community service).
