Bachelor of Fine Arts in Interior Architecture Pathway

Ohio University's [Bachelor of Fine Arts in Interior Architecture](#) provides a human-centered learning experience that enables you to work in residential or non-residential interior design. You will learn to solve interior space challenges with faculty who have real-world experience from nearly every segment of the field. The industry software technology-based curriculum provides students with a range of creative opportunities and a foundation of skills to explore the world of design.

Online Convenience. Ohio University Quality.

Harnessing technology and leveraging the idea of the virtual studio, the B.F.A. in Interior Architecture - OHIO Online responds to the realities of 21st-century professional practice and prepares graduates for careers in interior design which are increasingly international in their reach and honors the tradition that design draws inspiration from ideas and materials that originate from around the globe.

Admission Requirements

- Transfer students must submit a portfolio for admission consideration at the time of application. For more information on the portfolio visit <https://www.ohio.edu/admissions/apply/art-design-portfolios>.
- Transfer applicants must have a cumulative grade-point average of 2.0 or higher from all institutions previously attended to be considered for admission.
- Official transcripts sent directly to OHIO University from all colleges and universities you have attended. If you have completed fewer than 20 semester hours or 30 quarter hours of university or college coursework, you must also submit your high school transcript for evaluation.

Financial Aid Information

Once a student has earned the Associate of Applied Business in Interior Design (AAB) additional courses taken at Tri-C may not be eligible for Tri-C financial aid. In order to receive financial aid for the online bachelor's degree completion program with dual enrollment at Tri-C and Ohio University, you must complete the consortium agreement policy and form, and follow the instructions for submission. The current policy and form, as well as deadlines for submitting the documents, are available on OHIO's [Office of Student Financial Aid and Scholarships website](#).

Ohio University BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone. Courses used to satisfy BRICKS requirements may be completed through Partner or OHIO Online. The table below lists Partner courses that have direct course equivalencies at Ohio University which meet BRICKS requirements. General education courses that may also satisfy program requirements are inside brackets. HIST courses marked with an asterisk (*) will automatically equate to fill Pillars Humanities Texts and Contexts, but may alternately equate to fill Pillars Social and Behavioral Sciences. Work with your academic advisor to make adjustments.

The below courses can be completed at Tri-C during the summer or in addition to the AAB course sequence before a student transfers to Ohio University or a student can take these courses at Tri-C after they transfer to Ohio University. Please see the Financial Aid Information on the first page of this Transfer Plan for further details.

Courses below can be completed through Cuyahoga Community College or OHIO online.
