Bachelor of Science Degree Awarded Total Hours: 120

*** A total of 36 credits of by-pass credits upon successful completion**

- A) Student should take MATH 1410 Elementary Probability & Statistics to meet both ADN and BSN requirements
- B) A chemistry class is a required pre-admission class for admittance into The University of Akron's RN/BSN program

This Transfer Pathway represents one example of how to complete an associate and bachelor degree. Students should work closely with advisors at both institutions to discuss options. Students should work with a Tri-C advisor to identify ADN requirements. Dr. Pamela Bonnett bonnett@uakron.edu can also assist students with developing a graduation plan for full- or part-time study for your RN/BSN degree through The University of Akron.

All students must complete:

- A minimum of 120 semester credits (combined Tri-C and The University of Akron).
- Complete a minimum of 30 credits at The University of Akron to meet all residency requirements (this total does NOT include by-pass credit)

UA General Education requirements (these can be taken at Tri-C prior to transfer). Courses that are not required for the Tri-C AAS degree, may not be eligible for financial aid assistance. Please check with a Counselor and/or Financial Aid for information.
