

TRANSFER ARTICULATION AGREEMENT

Cuyahoga Community College, Associate of Applied Science,
Plant Science and Landscape Technology

to

University of Cincinnati, College of Design, Architecture, Art, and Planning
Bachelor of Science, Horticulture

Originating Institution: Cuyahoga Community College

Degree/Program: Associate of Applied Science (AAS) / Plant Science and Landscape Technology

Target Institution: University of Cincinnati / College of Design, Architecture, Art, and Planning (DAAP)

Degree/Program: Bachelor of Science (BS) / Horticulture

Introduction: This agreement details the applicability of courses from the Cuyahoga Community College AAS in Plant Science and Landscape Technology to the BS in Horticulture in the College of Design, Architecture, Art, and Planning. Students who complete the AAS in Plant Science and Landscape Technology at Cuyahoga Community College have partially satisfied the UC General Education requirement.

Articulation Overview: Graduates from Cuyahoga Community College who have followed the prescribed program and are accepted into the College of Design, Architecture, Art, and Planning will enter with 61 hours of transfer credit applicable toward the BS in Horticulture degree.

Admission Criteria: *Note: completing the courses on the appendices below does not guarantee admission to the UC BS in Horticulture program.

Minimum GPA: 2.0

BS Completion: Completion of this program may require more than four semesters to complete due to prerequisite requirements and the order in which required courses must be taken and are offered. UC academic advising staff will work with each transfer student to develop the most expedient pathway to graduation.

Admission Period: Cuyahoga Community College students must be admitted to the UC College of Design, Architecture, Art, and Planning during the duration of this agreement (i.e. between August 2023 and July 2026).

Agreement Execution Date: August 2023

Agreement End Date: July 2026

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its approval of both institutions and will remain effective for the duration of the [Transfer Pathways Completion Articulation Agreement \(Institutional Agreement\)](#). At the end of this time the Transfer Degree Map will be reviewed and may be renegotiated. Cuyahoga Community College and the UC College of Design, Architecture, Art, and Planning agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Cuyahoga Community College students are encouraged to work closely with their academic advisor to monitor possible changes.

SEE ATTACHED APPENDICES FOR COURSE EQUIVALENCIES AND SAMPLE TRANSFER DEGREE MAPS.

Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement (e.g. courses required for the **AAS in Plant Science and Landscape Technology** and remaining UC courses for the **BS in Horticulture**). You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center at UC.

Remaining Coursework at University of Cincinnati

Below is the remaining required coursework to complete the BS Horticulture program. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.

The selection of coursework at Cuyahoga Community College will be dependent on the chosen concentration area for the AAS Plant Science and Landscape Technology and will determine the remaining coursework options for the BS Horticulture. Please consult with a UC academic advisor for assistance in course selection for the remaining UC coursework.

Course selection will be dependent on the AAS Concentration completed at Cuyahoga Community College.
