Students should work closely with advisors at both institutions to discuss options and to identify a (minor or a second major/etc.). A ***University of Mount Union*** advisor can also assist students with developing a graduation plan for full- or part-time study.

***** Students can complete one of the following mathematics courses before transferring to eliminate one course to be taken at Mt. Union (this may not be eligible for financial aid, see Tri-C Financial Aid for details):

- MATH 1610 Calculus I
- MATH 1590 Business Calculus

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from ***the*** University of Mount Union. A maximum of 62 credits transfer to Mount Union from Tri-C for your AA degree, fulfilling most of the ***Integrative Core*** requirements, Finance requirements and guaranteeing junior status.

All students must complete:

- A minimum of **120** semester credits (combined Tri-C and **University of Mount Union)**
- 48 credit hours total at Mount Union (16 in the major, plus 8 in a minor)
- Meet Math (dependent on major) and World Language Proficiency
- Meet all residency requirements
- Meet all General Education Requirements for graduation

This information is provided by both institutions solely for convenience and expressly disclaims any liability which may otherwise be incurred. This is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, each institution reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein. Tri-C and its partner institutions work closely to keep transfer pathways current and accurate. Since program requirements can change over time, students should regularly meet with the Tri-C Campus Transfer Center or their intended transfer institution to confirm that their academic plan continues to align with current requirements.
