\* Students should complete the following mathematics course as part of the AA degree prior to transferring: **MATH (???)**

**# The following courses should be selected as part of the AA:** (List courses, if any, here.)

**Course List A - recommended elective choices:**

*(List courses here, if any)*

**NOTES:** *In some cases, we realize a student might have to take coursework during the summer to meet prerequisites to start their junior year. Just include on the other side as a summer term and make notation on this side of the rationale.*
