Bachelor of Science in Applied Science Degree Awarded Total Hours: 122

***With the submission of an unencumbered PTAT License, students will receive 10 credit hours of AHLT 37XEC which will be used to replace the Upper Division Elective courses.*

All courses are offered on a 7-week accelerated schedule. Each semester there will be two 7-week sessions offered. This Transfer Pathway represents one example of how to complete an associate and bachelor degree. Students should work closely with advisors at both institutions to discuss options. Students should work with an Allied Health advisor to identify a (minor or a second major/etc.). An Allied Health advisor can also assist students with developing a graduation plan for full- or part-time study.

Taking certain elective courses will allow the student to come in at junior status.

This program awards maximum credit for an associate degree from Cuyahoga Community College, streamlining completion of a bachelor's degree from **Youngstown State University**.

All students must meet or complete:

- all residency requirements 30 credits and 16 upper division for YSU, plus major and minor residency
- an Experiential Learning requirement (Ex.: internship, field experience, community service)
