SUMMER BRIDGE PROGRAM OVERVIEW

The Upward Bound Summer Bridge program offers graduating seniors an opportunity to earn “free” college credit and further prepare for college success during the summer prior to their first year of college. Bridge students enroll and complete up to two college courses at Cuyahoga Community College. These courses are transferable to all public colleges in Ohio through the Ohio Transfer Module. The Upward Bound program will pay for tuition, fees, textbooks and supplies and provide daily bus passes. In addition, it will provide individual assistance and student-success workshops.
