Dear Student:

This summer, the Upward Bound Program will be offering a **Work Study program**. The program is available to rising juniors and seniors. Students will be selected based on the following criteria: grades, attendance and the required interview.

Work Study participants must also participate in the Trio Summer Academy (June 21 – July 29). Students will participate in educational and hands on or virtual work experiences on Fridays to prepare them for their future career. This opportunity will expose you to potential careers and access to professionals to learn more about what the person does on the job daily. **Students in the Work-Study Program will have the opportunity to earn an additional stipend up to \$450.**

Here is what you need to do:

1. Fill out the bottom portion of this form to indicate your top (3) career interests.
2. Complete the essay question on page 2.
3. **Application and essay are due by: April 8, 2022**
