

Grad to Government Intern

Allen Bray

July 27, 2018

After serving in the US Army as a 91B Wheeled Vehicle Mechanic, Allen Bray completed the VUB refresher class program in 2012 and started classes at Tri-C shortly after.

At the end of this year, Allen will receive an Associate of Arts degree from Tri-C, and he will move into a bachelor's degree program at Hiram College.

This summer, Allen has the opportunity to intern for the U. S. House of Representatives!

He says, “The main reason I was able to get this internship is because of my professor Michele Hampton. She personally took the time out of her day to introduce me to the hiring official.”

What's next for Allen? He plans to “stay focused” and achieve a bachelor's degree in Business Management at Hiram.
