

Front Lines

August 2019 Edition

Greetings and welcome to this the August 2019 edition of *Front Lines*, the unofficial newsletter of Cuyahoga Community College's Veterans Initiative Program. Here is a very full look at what is happening...

Welcome Aboard and Welcome Back: On behalf of all associated with the Tri-C Veterans Initiative, I'd like to say "WELCOME BACK" to those student veterans returning this Fall. More importantly, I would like to say "WELCOME ABOARD" to those new student veterans at Tri-C.

Reminders moving into fall 2019

- **Make sure to see your GI Bill Certifying Officer at your respective campus Admissions & Registration Office ASAP.** Now there is no guarantee that Post 9-11/CH 33 benefits (BAH and book stipend) will arrive immediately after the start of the semester which was AUG 26.
- **Note also that anytime you adjust your schedule (i.e., add classes, drop classes, etc.) YOU MUST SEE THE GI BILL CERTIFIER.** Simply going to the Registration Office does not complete the process for student veterans using the GI Bill. The Certifiers are the link with the VA. They handle the submission of paperwork to insure you are getting the proper benefit payment and conversely to insure you are not caught in an overpayment situation.

Veteran Campus Support Teams at the Ready: An important reminder to all that the Cuyahoga Community College Veteran's Initiative has been organized in an effort to provide a broader range of services to you. Part of that re-organization has been the development of Veteran Campus Support Teams. The Veteran Campus Support Teams are comprised of specialists from key departments which data tracking has shown are those departments in which veterans require services.

Those departments include:

- GI Bill Certification
- Counseling
- Financial Aid
- Recruiting
- ACCESS (disability Enrollment Services)
- Key Career Transition Centers
- Veterans Education Access Program

As noted, the documented experience of the Veterans Initiative has shown that these are the major areas of inquiry from our student veterans. A complete list of your respective Campus Veteran Support Team members is found on the Veterans' website at: www.tri-c.edu/veterans

Veterans Education Access Program – At the Ready: The Veterans Education Access Program (VEAP) at Tri-C provides FREE comprehensive support services to eligible veterans who need additional help in Math, English and Science to complete their first degree. If you are enrolled or have been placed in a remedial Math or English course and are in need of additional help in these areas, please call the VEAP main office at 216-987-4938 to schedule an appointment with our Student Advisor. Classes are already underway, so do not delay!

Support Resource – Veterans' Success Tool Kit: The Tri-C Veterans Initiative has partnered with HealthJourneys, to bring to you free of charge a series of self-guided streaming meditations known as the *Veterans' Success Tool Kit*. Listening to guided imagery and meditation yields a wide variety of benefits. Research shows it helps with stress, sleep, pain, confidence, focus, emotional resilience and inner peace. That's why we've brought together some of the best streaming meditations we could find, by some of the foremost masters in the mind-body. These are available free, 24/7, for you and your family, courtesy of Health Journeys and Sounds True. All can be accessed via the College's Veterans website: www.tri-c.edu/veterans. The link is the upper right, teal-colored tab labeled: NEW RESOURCES FOR STUDENT VETERANS.

VHA Mortgage Options: We wanted to share a couple of options that Bank of England (BOE) Mortgage has available for the veteran community. BOE offers a couple of different options. With VA loans BOE can do 100% financing meaning it can be a home without having to put any money in for the downpayment. There are costs outside of the down payment such as title and settlement fees and additional third party fees that are required by law these cannot be rolled into the loan and could be the only out of pocket costs for the home loan.

BOE offers another option to veterans as well if funds are limited known as the Ohio Heroes program for first time homebuyers. This can provide a veteran a 5% grant to cover any expenses towards a home loan and can even use the money if they do not want to do 100% financing towards the down payment. In regards to veterans currently owning a home BOE offers 100% cash out refinances as well. If you find you need extra cash flow this is a great option for veterans to use the equity in their home to either pay off debt or have money available for home improvements. BOE is seeing a big uptick in refinancing for cash out as house values are up and rates are down. For further information about these options contact: Dominic Weimer – BOE Mortgage Officer at (216) 586-5327 or by e-mail at: dweimer@boemortgage.com

VA MISSION Act: Answers to the top five questions about urgent care:

Urgent care is one of the new benefits offered as part of the VA MISSION Act that gives Veterans greater choice in their health care. The benefit is offered in addition to the opportunity to receive care from a VA provider, as VA also offers same-day services. We are working to ensure Veterans understand how to use the new urgent care benefit as part of VA's comprehensive benefits package. In this article, we answer some common questions about the new urgent care benefit.

1. What is urgent care? Urgent care is a type of walk-in health care for situations where you need help but don't have an emergency, such as colds, ear infections, minor injuries, pink eye, skin infections, and strep throat.
2. Why are there different urgent care locations? There are two types of urgent care network locations: Retail and Urgent. Retail locations such as CVS or Walgreens are places where you can get care for minor ailments like a sore throat or earache.
3. Urgent locations provide more comprehensive walk-in care for illnesses or injuries that are not life-threatening, like splinting, casting, lacerations, or wound treatment.

Both retail and urgent locations are staffed with healthcare professionals who are licensed and credentialed.

3. Are there urgent care providers near me? VA launched the urgent care benefit on June 6, 2019, and we are working to expand our network of urgent care providers, adding more every week. Urgent care providers are vetted and must meet strict standards of care and other requirements before they are added to VA's network. To find a location, use the VA facility locator at <https://www.va.gov/find-locations/>. Select the link entitled "[Find VA approved urgent care locations and pharmacies near you](#)". If you arrive at an urgent care network location and have difficulty receiving care, call 866-620-2071 for assistance. [More information](#).
4. How do I get prescription medication with the urgent care benefit? You can get up to a 14-day supply of prescription medication through VA, a VA-contracted pharmacy, or a non-contracted pharmacy. If you choose to fill an urgent care prescription at a non-contracted pharmacy, you will be required to pay for the prescription when you pick it up and then file a claim for reimbursement at your local VA medical facility. Prescription medication for longer than a 14-day supply must be filled by a VA pharmacy. [More information](#).
5. Do I have to make copayments for urgent care? Copayments for urgent care depend on your assigned priority group and the number of times you visit any urgent care provider in a calendar year. Urgent care copayments are not charged when you receive care from an urgent care provider, but are billed separately by VA. [More information](#).

Applying for Benefits

First-time users of educational benefits must complete the 22-1990 form at www.vets.gov/education/apply/.

The VONAPP system (old 22-1990 site) still contains other important forms such as compensation, pension, vocational rehabilitation, employment, burial benefits, change in place/training and dependent application for VA benefits.

Do not use forms 22-1990N or 22-1990E to apply for Post 9/11 GI Bill, CH30 or CH1606. The 22-1990N is for National Call to Service only. The 22-1990E is for family members to use transferred benefits.
