November 2018 Edition

Greetings and welcome to this the November 2018 edition of *Front Lines*, the unofficial newsletter of Cuyahoga Community College's Veterans Initiative Program. Here is a very full look at what is happening...

Post 9-11 GI Bill – Book Stipend Delays Continue

We have been updated by the Veterans Administration that delays in the issuance of the book stipend for all of those using the Post 9-11 GI Bill (Chapter 33) for Fall 2018 semester still continue. The delay is the result of upgrades being made to the VA-ONCE software system. Please note that this is an issue outside of our control. The College has been communicating with Federal legislators from Northeast Ohio (Senate and Congressional) about this issue and pushing them for assistance in resolution.

That being said, you should begin setting aside dollars for books now to ensure you have the necessary books you need when the Spring 2019 semester starts. We have not been given a time window as to when the book stipend dollars will be released. Prepare accordingly. We will keep you posted as more information becomes available.

Spring 2019 Registration Open

The following are important steps for all to follow:

- **Make sure to see your GI Bill Certifying Officer at your respective campus Admissions & Registration Office ASAP.** Now there is no guarantee that Post 9-11/CH 33 benefits (BAH and book stipend) will arrive immediately after the start of the semester.
- **Note also that anytime you adjust your schedule (i.e., add classes, drop classes, etc.) YOU MUST SEE THE GI BILL CERTIFIER.** Simply going to the Registration Office does not complete the process for student veterans using the GI Bill. The Certifiers are the link with the VA. They handle the submission of paperwork to insure you are getting the proper benefit payment and conversely to insure you are not caught in an overpayment situation.

Get ahead of the game and submit your 2018-19 FAFSA! Call us at [216-987-4938](tel:216-987-4938) to schedule an appointment or to have your financial aid questions answered. Filing near or after the deadline may impact your access to Financial Aid.

Allen Eugene Bray, Jr.
Cuyahoga Community College
2018 Student Veteran of the Year

CONGRATULATIONS TO ALLEN BRAY, the 2018 Tri-C Student Veteran of the Year. One of the first things you learn about Allen Eugene Bray, Jr. when you meet him is that he is proud to be a native Clevelander. Born and raised on Cleveland's east side, he pushed himself scholastically to graduate from St. Peter Chanel High School. Following graduation he embarked on service to our nation in the United States Army where he served honorably from 2012 – 2015, including a combat tour in Afghanistan in 2014 for Operation Enduring Freedom.

During his Army service Allen was the recipient of the following decorations, medals, badges, citations and campaign ribbons: Afghanistan Campaign Medal w/ Campaign Star, the Army Commendation Medal, the Army Achievement Medal, the Army Good Conduct Medal, the National Defense Service Medal, the Global War on Terrorism Service Medal, the Army Service Ribbon, the Overseas Service Ribbon, and the NATO Medal.

Following his Army service Allen took on the challenge of college and enrolled in Cuyahoga Community College (Tri-C) where he again has pushed himself in his studies and will be graduating Cum Laude with an Associates of Arts degree in December 2018. During his time at Tri-C he has also engaged as an active member of the campus community and well as the broader community in issues and events where he continues to give back to his fellow veterans and their families. Those events and activities include: volunteered in Human Resources Department at Ahuja Medical Center (2015-16), VA Work Study for the Alfred Lerner Veterans Center at Tri-C's Eastern Campus (2016-17), volunteered for Tri-C's Veterans Day events, participated in the Veterans History Project with the Library of Congress (2018), summer intern for U. S. Congressman James Renacci (2018), and he volunteered for the Vietnam Veteran Wall exhibit at Tri-C's Western Campus (2018). He is currently serving an internship at The Louis Stokes VA Medical Center.

Career plans after graduation include beginning a full-time position in Human Resources Management at The Louis Stokes VA Medical Center where he continues to impact the service received by his fellow veterans. Allen also plans to continue his education by earning a Bachelor's degree in Business Management through a partnership with Hiram College and Cuyahoga Community College beginning in January 2019.

Allen was recognized for his award by former U. S. Secretary of Defense Robert Gates at the Tri-C Presidential Scholars Lunch on November 1, and by City of Cleveland Mayor Frank Jackson at Veterans Day ceremonies at Cleveland City Hall on November 9.

Finally... Veterans' Day Reflections: I think we all would agree we have a lot to be thankful for this Veterans Day. First and foremost if you're reading this you're probably home and not deployed. For all who have "been there and done that" we know there are no "bad days" here at home. That being said as we head into Veterans' Day and the upcoming Holidays let's not forgot that some of our fellow veterans who although they are home are still struggling with multiple issues. Keep an eye out for them and let's do what we can "to cover their six."

Let's also take a moment to remember all of our service men and women around the world who will spend Veterans Day manning a post, patrolling a perimeter, or standing a watch. May they all be safe.

And finally... remember too all who have served in ALL conflicts and never returned home to enjoy another holiday season with their families. May they and their families be at peace.

Take the time to show your Veteran Pride on Friday, November 9th by wearing red, white and blue or something reflective of the branch of service in which you served (such Army, Navy, USMC, Air Force or USCG sweatshirt, etc.).

That's all for now...

Signing off.... Sincerely,

CDR Rick DeChant, (USCG, ret)
