## Statement Regarding Closure of ITT Technical Institutes

ITT Technical Institutes announced today that they would close all 130 of their campuses nationwide.<sup>1</sup> These campuses enroll approximately 40,000 students and have 8,000 employees. ITT has 9 approved locations in Ohio with approximately 2,000 students enrolled and an estimated 400 employees.

The ITT closure results from sanctions that were imposed by the U.S. Department of Education through a letter issued on August 25, 2016, to ITT Educational Services, Inc., imposing new requirements and conditions for ITT's continued participation in federal student aid programs. For more information on the sanctions imposed by USDOE see here:

<https://studentaid.ed.gov/sa/about/announcements/itt>

In an effort to assist students enrolled at ITT, the Ohio State Board of Career Colleges and Schools will be working with other Ohio colleges and schools to provide options for students seeking to complete their programs at other institutions. In addition, the Ohio Board will work with ITT to secure access to student records and transcripts. Students enrolled at the time of closure who are unable to complete their programs at other institutions may also be eligible for a discharge of their federal student loans through the USDOE closed school loan discharge program. The Ohio Board has also been in contact with the Veteran's Administration about issues faced by students who were receiving VA funding. More information about these options will be provided to students over the next few weeks.

Dear HLC Constituents,

Today, the higher education community faces the closing of all of the ITT Technical Institute campuses, affecting thousands of students.

In an effort to support student success and maintain academic integrity, I ask you to help these students continue to have access to higher education if you can.

As a reminder, HLC does not direct that institutions accept credits only from regionally accredited institutions. HLC policies for institutions on transfer of credits are [Assumed Practice A.5](#) (CRRT.B.10.020) and [Publication of Transfer Policies](#) (FDCR.A.10.040).

The Department of Education has encouraged that institutions identify programs they have that might align with those of ITT and provide that information to their constituencies, expressing their willingness to assist students who might be interested in transferring. For additional information from the Department, visit [www.studentaid.gov/ITT](http://www.studentaid.gov/ITT).

Thank you,

### Closure of ITT Educational Services, Inc.

#### **Background:**

ITT Technical Institute announced on September 6, 2016 that the school would close all 130 of its campuses nationwide. ITT Technical Institute has held authorization from the Chancellor of the Ohio Department of Higher Education to offer associate and bachelor's degree programs since 2009. ITT Technical Institute is also registered with the State Board of Career Colleges and Schools. At the time of closure, around 2,000 Ohio students were enrolled at approved sites in Akron, Columbus, Dayton, Hilliard, Maumee, Norwood, Strongsville, Warrensville Heights, and Youngstown.

#### **Options for Students:**

ITT Students who were not able to complete their program may be eligible to apply for a closed school loan discharge through their loan servicer. The Loan Discharge Application can be accessed at <https://studentaid.ed.gov/sa/sites/default/files/closed-school-loan-discharge-form.pdf>.

Students may also transfer earned credits to another institution to continue their education. The Ohio Department of Higher Education is working with Ohio institutions across the state to assist in placement of students. Further information will be provided in the near future about specific transfer opportunities.

#### **Transcripts:**

Students may request a copy of their official transcript through Parchment at <http://www.parchment.com/ITT>.

If you have [federal student loans](#), you may be eligible for relief if:

Your college closes.

If you were enrolled or recently left an ITT Tech college that has shut its doors and have not yet completed your degree program, you may be able to discharge (cancel) your loans if you [apply for a closed school loan discharge](#).

Keep in mind that if you transfer the credits you've earned at ITT Tech toward a comparable program at another school and you complete or are in the process of completing that program, you will not be eligible to receive a closed school loan discharge. Also, if you do have your federal loans discharged because your college closed and you end up transferring credits to a similar program at another college, you may have to pay back the loans that were discharged. If you receive an offer from another college to transfer your credits, be sure you understand how it will affect your right to discharge your federal student loans.

Parents may also seek discharge of any [Parent PLUS loans](#) used to fund the expenses of dependent students who were unable to complete their degree due to a school closure.

## IMPORTANT VETERANS UPDATE

September 14, 2016

### Updates & Resources from U.S. Department of Veterans Affairs VA on ITT Technical Institute Closure:

An email was sent out to students attending ITT Technical Institute on September 6, 2016 announcing that it has discontinued operations at all campuses.

Here are a few updates on resources available for students to use to re-map their plans to continue their education and otherwise overcome the school's sudden closure. We are contacting and working with our partners at Veteran Service Organizations, Department of Education, the State Approving Agencies, and others to make students aware of all potential resources that are available to assist students in achieving their educational goals.

**As a reminder, VA can no longer pay for housing allowance until the student is enrolled in another GI Bill® approved educational institution. Students should also be aware that there is the possibility an overpayment was created in your account. Students that already had enrollments submitted for an upcoming term may have already received benefits (books and supplies) for a term they are now unable to complete. If this happened, they will receive a letter from VA explaining actions to take in order to resolve any potential issue.**

If you are a GI Bill® user who also has federal student loans, you need to make decisions about what to do next; if you transfer you may not be able to receive a "Closed School Discharge" of your federal student loans. The Department of Education shared this on their site:

- If you are currently or were recently enrolled at ITT, you may be eligible to have your federal student loans for your program at ITT discharged. Your federal loan debt will be wiped away and you will have the option of restarting your education somewhere new. We will post and update information about how to receive a discharge at our ITT announcements page.
- If you wish to continue and complete your program at a different school – especially if you are close to graduating – you may be able to transfer your credits. It is important to note that transferring your credits may limit your ability to have your federal loans discharged. Closed school discharge may be an option if you enroll in a different program that does not accept your ITT credits

**Here is an updated list of Ohio and National resources available:**

- Ohio State Board of Career Colleges and Schools ([www.scr.ohio.gov](http://www.scr.ohio.gov)). The SBCCS has posted on their website noting more detailed information for ITT students.
- Ohio Department of Higher Education ([www.ohiohighered.org](http://www.ohiohighered.org))
- GI Bill® Comparison Tool on the [www.gibill.va.gov](http://www.gibill.va.gov) website can help you review & compare alternatives to ITT.
- Contact Student Veterans of America. They have a network of over 1,400 student chapters at colleges and universities and their staff can provide answers to your questions. They have a website specifically for you with contact information. Their website is [www.studentveterans.org](http://www.studentveterans.org).
- The U.S. Department of Education (ED) has an announcements page with information on how former ITT students can continue their education, apply for closed school loan discharges, retrieve student records, and more. They will continue to update this information for affected students. ED has several webinars planned – more information on those at the link - and VA will be participating to answer your questions. Their website is [www.ed.gov](http://www.ed.gov).
- If you took out a federal student loan to supplement your GI Bill®, you may be eligible for a “Closed School Discharge,” of that loan but you need to be aware of when to apply. Veterans Education Success ([www.veteranseducationsuccess.org](http://www.veteranseducationsuccess.org)) has more on this on their website. Click “Advice to ITT Students.”

**Debt Waiver for GI Bill® benefits received:**

If you are a veteran or family member using GI Bill® educational benefits you may apply for a debt waiver by accessing the link below. It is important that the subject of the letter say “Request a Waiver.” Veterans need to address in the letter that the debt was due to mitigating circumstances due to rapid closure of ITT Technical Institute. Make sure students complete their financial statement to accompany letter.

[http://www.va.gov/debtman/Submit\\_A\\_Waiver\\_Request.asp](http://www.va.gov/debtman/Submit_A_Waiver_Request.asp)

The VA will continue to look for ways to assist veterans in overcoming this obstacle and will continue to provide updates. If you know any students or former students not receiving our emails, please pass this information along. As always, the VA Education Call Center is available at 1-888-442-4551 (Monday – Friday, 7 a.m. – 6 p.m. CST) for questions about your GI Bill® benefits, any overpayments, and remaining entitlement. You can also join the conversation on the VA Facebook page or follow them on Twitter @VAVetBenefits.

- § If you withdrew more than 120 days before the school closed, you may be eligible for this form of discharge if the Department determines that exceptional circumstances related to the school's closing justify an extension of this 120-day period. Examples of exceptional circumstances include, but are not limited to: **(1)** the closed school's loss of accreditation; **(2)** the closed school's discontinuation of the majority of its academic programs; **(3)** action by the State to revoke the closed school's license to operate or award academic credentials in the State; or **(4)** a finding by a State or Federal government agency that the closed school violated State or Federal law.

## SECTION 6: TERMS AND CONDITIONS FOR LOAN DISCHARGE BASED ON SCHOOL CLOSURE (CONTINUED)
