May 2019 Edition

Greetings and welcome to this the May 2019 edition of *Front Lines*, the unofficial newsletter of Cuyahoga Community College's Veterans Initiative Program. Here is a very full look at what is happening...

Congratulations to Our Graduates: A hearty "JOB WELL DONE" to our 42 fellow student veterans who will be graduating on May 16. May your future endeavors bring you success wherever you may go. You've completed a major first step in having "Your Futures Begin."

Summer & Fall 2019 Registration: Registration for Summer and Fall 2019 classes is underway. Now is the time to begin thinking about appointments with a counselor for scholastic and career path guidance.

Summer & Fall 2019 Registration cont.: The following are important steps for all to follow:

- **Make sure to see your GI Bill® Certifying Officer at your respective campus Admissions & Registration Office ASAP.** Now there is no guarantee that Post 9-11/CH 33 benefits (BAH and book stipend) will arrive immediately after the start of the semester.
- **Note also that anytime you adjust your schedule (i.e., add classes, drop classes, etc.) YOU MUST SEE THE GI BILL® CERTIFIER.** Simply going to the Registration Office does not complete the process for student veterans using the GI Bill®. The Certifiers are the link with the VA. They handle the submission of paperwork to insure you are getting the proper benefit payment and conversely to insure you are not caught in an overpayment situation.

Your GI Bill® Certification Form: Electronic Submission Now Available: We are pleased to inform you that the GI-Bill® certification form is now available for electronic submission. This form must be completed at the start of each semester in which you intend to use your VA education benefits. Please note that when you access the form you will be prompted to log in using your Tri-C ID number and My Tri-C Space password. Once you complete and submit the form it will be sent directly to the certifier at your selected campus. Here is the live link: <https://portal2.tri-c.edu/VaCertification/>

Here are the steps for completing the form:

- Log in to My Tri-C Space
- Click on the Student tab
- Scroll down, and on the right hand side of the page under "Academic Support -> Specialty Services", click "Veterans Services"
- Once the Veterans Services and Programs page loads, click "Education Benefits Information & Resources"
- On the right hand side under "Additional Resources" click "GI Bill® Semesterly Certification Form"

Complete the form, paying close attention to the dialogues that appear when clicking certain drop downs and fillable boxes.

You will receive a confirmation email once the form is successfully submitted.

Campus Support Teams at the Ready: An important reminder to all that the Cuyahoga Community College Veteran's Initiative has been organized in an effort to provide a broader range of services to you. Part of that re-organization has been the development of Veteran Campus Support Teams. The Veteran Campus Support Teams are comprised of specialists from key departments which data tracking has shown are those departments in which veterans require services. Those departments include:

- GI Bill® Certification
- Counseling
- Financial Aid
- Recruiting
- Student Accessibility Services
- Key Career Transition Centers

As noted, the documented experience of the Veterans Initiative has shown that these are the major areas of inquiry from our student veterans. A complete list of your respective Campus Veteran Support Team members is found on the Veterans' website at: www.tri-c.edu/veterans

Veterans Education Access Program – At the Ready: The Veterans Education Access Program (VEAP) at Tri-C provides FREE comprehensive support services to eligible veterans who need additional help in Math, English and Science to complete their first degree. County Scholarships Available Again For Summer & Fall Semester: Thanks to the generosity of the Cuyahoga County Executive and the Cuyahoga County Council, the Tri-C Veterans Initiative has again been awarded an allotment of dollars from the Cuyahoga County Veterans Fund. In turn these funds are being used to create general scholarships to assist student veterans, military affiliates (including spouses and dependents of disabled veterans), and Active Duty and Reserve personnel **who no longer have any military-related educational benefits remaining or has exhausted all funding sources (partial GI-Bill®, FTA, FASFA-Pell grant, OCOG).**

This **non-refundable** general scholarship will be distributed as **one award per semester**. Unused funds will be returned back to the general scholarship fund at the end of the semester. *You cannot apply twice for an award in the same semester.* Scholarship dollars can be used for **both** credit and non-credit courses (workforce certification courses) and books. Awards will be on a case-by-case basis for students that are full time or part time. If approved, the scholarship dollars will be credited directly to your student account.

You will have an option to select \$500 **or** \$1,000 general scholarship. You may **either** directly apply the funds towards your tuition **or** have the amount desired separated into tuition and book money. *If you opt into separating your chosen amount this decision cannot be reversed.* Applicants must have the following completed: Must be an active and registered Tri-C student (current student photo ID and student ID number) and registered for classes for the semester of scholarship use. Students that receive FASFA-Pell and/or Ohio College Opportunity Grant (OCOG) must have exhausted those benefits before being considered for this scholarship. Check www.tri-c.edu/veterans to download a copy of the application, or stop by your respective campus Veterans Service Office. All applications will be reviewed on a case-by-case basis.

Smartphone feature provides immediate access to Veterans Crisis Line: The VA is excited to announce that service members and Veterans can connect to the [Veterans Crisis Line](http://www.tri-c.edu/veterans) using these simple words. The Siri function on Apple's iPhone and the Google Assistant function on Android phones now automatically dial the [National Suicide Prevention Lifeline](http://www.tri-c.edu/veterans) which also serves the Veterans Crisis Line, even if the number (1-800-273-8255) is not saved in the phone's contact list. **Callers will need to Press 1 in order to reach the Veterans Crisis Line.**

Pets For Vets: Pets For Vets is a program is designed to match Veterans in the Cleveland and surrounding communities who could benefit from having a companion animal, with local shelter dogs. Each dog is trained as a **companion dog** specifically to meet the needs of that individual Veteran. The main goal of the program main goal is to help our U.S. Military Veterans and at the same time, rescue our local shelter animals. It is a win-win for both of them!

Pets for Vets is a national organization founded in 2009. The organization was recently approved with its 501c3 designation to begin making matches as the only Cleveland Chapter! Currently they have 6 certified trainers (the average number of trainers in the 26 other national chapters is 4, so the group is starting off strong!), and we are hoping as time goes on, to find more trainers in order to facilitate more matches and grow the Cleveland chapter. All trainers must be approved by the National Offices and only 20% of those who apply are approved.

Each match consists of finding and training the dog specifically chosen for each individual Veteran, all veterinary care including neuter/spaying, microchipping and all vaccines and well care treatments as well as a complete welcome package provided to the Veteran on the day we hand the dog to them. The Veteran is supported every step of the way and once they have their dog, the Veteran will continue to be supported by the Pets for Vets organization as they become part of the Pets for Vets "family".

There is NO COST to the Veteran to receive his or her dog, however once they are given the dog, they do have to be able to financially support the dog and provide it with a safe and healthy home. Should the dog ever require major medical care (ie: diabetes or major surgery) which presents a financial burden for the Veteran, Pets for Vets will step in to support the cost so the Veteran does not have to give up the dog.

Please contact Joan Tiefel with any questions at **330.348.4000**, or email: cleveland-oh@petsforvets.com. Additionally, if you would like more information about the organization, please visit : www.petsforvets.com

The **American Red Cross'** unwavering commitment to members of the U.S. military, its veterans and their families continues to grow and develop more than a century after Clara Barton first recruited nurses to support the U.S. Army. Today, the Red Cross is meeting the needs of a changing military and expanding services to veterans. Red Cross support of military members and their families enhances morale and contributes to increased operational capability in several ways. New volunteers: visit <https://redcross.org/neo> Click on "volunteer" tab.

Cleveland Municipal Court's Veterans Treatment Docket needs volunteers – preferably military veterans to help Veterans transition to a successful life. If you are interested in volunteering to help our veterans successfully re-enter civilian life, please contact Derek Moore at (216) 664-4712 or via email at moored@cmcoh.org for additional information.

Needed: 'A few good mentors': The Cuyahoga Common Pleas Veteran Treatment Court (VTC) is a judge-monitored treatment program for military veterans. A key component of the program is volunteer Veteran Mentors who volunteer their time to help veterans re-adapt to civilian life.
