Current Veteran Scholarships

Veterans Scholarship

The Veterans Scholarship Fund was established to support veterans of the United States Armed Forces who are attending Cuyahoga Community College. This fund is supported by donations from Forest City Enterprises, Ohio CAT, Pepsi Beverages Company, and numerous individuals and businesses in the community.

Criteria:

- Minimum six credit hours per semester
- Student must be an honorably discharged Veteran of the Armed Forces
- Student in good standing

Alfred Lerner Memorial Endowed Scholarship

The Alfred Lerner Memorial Scholarship Fund was established by the Lerner Foundation to serve as a legacy of Mr. Alfred Lerner's service and commitment to Veterans. The Lerner Foundation was created in 1993 by Alfred and Norma Lerner. Mr. Lerner, a former U.S. Marine, and his wife, Norma, were trailblazers in philanthropy, dedicated to making a difference in the lives of others through their generous donations to advance medical research and to provide educational opportunities. Because of Mr. Lerner's involvement with the Marine Corps, the Lerner Foundation is also dedicated to enabling our veterans to acclimate back to productive civilian lives. The Foundation is grounded on the premise that there is no greater cause than to help others through furthering and developing new research while helping people get the best health care and education possible.

Criteria:

- 2.5 GPA
- U.S. Veteran

Regency Construction Scholarship

The Construction Engineering Scholarship and the **United States Veteran Scholarship** were established by Regency Construction Services, Inc. for students in Construction Engineering Technology or other engineering programs at Cuyahoga Community College. Regency Construction Services, Inc. is one of Northeast Ohio's leading full-service construction firms. Criteria:

- Student must demonstrate financial need
- Student is honorably discharged from any of the US Armed Services
- Second year student enrolled in Construction Engineering Technology fulltime or part-time at any campus of Cuyahoga Community College
- If no students in the Construction Engineering Technology program qualify, students in other Tri-C Engineering programs may be considered
- Students must have a minimum GP A of 2.5
- Student must maintain a 2.5 GPA after the first semester to qualify for second semester scholarship.

The Joyce M. and Herbert W. Stielau Foundation Nursing Endowed Scholarship

The Joyce M. and Herbert W. Stielau Foundation Nursing Endowed Scholarship was created to honor the mission of the Joyce M. and Herbert W. Steilau Foundation to support a broad range of organizations including those involved in health care, disaster and emergency relief, social service and justice, public education and media, nursing education, socially transformative programs, animal welfare, and environmental and protection of public lands, parks and waters and other natural treasures. The scholarship is awarded to one first-year Nursing student each year, and is renewable if the student continues to meet criteria (described below) and remain in good academic standing.

Criteria:

- 2.5 gpa
- Enrolled for a minimum of twelve credit hours per semester
- Maintains continuous enrollment until completing requirements for an Associate's degree
- **Preference for an honorably discharged Veteran of the Armed Forces**

These are just the scholarships offered through Tri-C that are specific to veterans. You can apply for ANY scholarships, even those that are not directed at veterans, and even those that come from outside agencies. See more at:
