MESSAGE FROM THE CHIEF

Cuyahoga Community College (Tri-C®) is integral to the communities of Northeast Ohio. The Tri-C Public Safety Center of Excellence aligns with regional economic development efforts to offer in-demand programming and integrated pathways between workforce and academic programs, giving students more options for learning and future careers.

From now until 2023, experts project that more than 20,000 protective service employees in Northeast Ohio will need to be replaced. Tri-C trains more emergency response professionals than any other institution in Ohio, and the Public Safety Center of Excellence is committed to remaining a regional leader in public safety training to help fill those vacancies.

Tri-C has always valued innovation and creativity and served as a leader in addressing the region's workforce needs. The Public Safety Center of Excellence has created programs specifically to fill employment shortages, such as the dispatch training program, as well as programs like Blue Courage that equip students and professionals with the tools they need to perform at the highest level.

All programs within the Public Safety Center of Excellence offer hands-on training from industry professionals to prepare students for their careers in the field. The majority of classes take place at the state-of-the-art KeyBank Public Safety Training Center on the College's Western Campus.

The Tri-C Public Safety Center of Excellence can help you on your path to a rewarding career or assist you in upgrading your skills for career advancement. For more information, or to schedule a tour, visit tri-c.edu/publicsafety or call 216-987-3031.
