MESSAGE FROM THE CHIEF

Cuyahoga Community College (Tri-C®) is integral to the communities of Northeast Ohio. The Tri-C Public Safety Center of Excellence aligns with regional economic development efforts to offer in-demand programming and integrated pathways between workforce and academic programs, giving students more options for learning and future careers.

Tri-C trains more emergency response professionals than any other institution in Ohio. The College has always valued innovation and creativity and serves as a leader in addressing the region's workforce needs.

The Public Safety Center of Excellence has created programs specifically to fill employment shortages, such as Dispatch Communications, the Drone Academy, English Proficiency and Procedural Justice Training, that equip professionals with the tools to perform at the highest level.

All programs within the Public Safety Center of Excellence offer hands-on training from industry professionals. The majority of the classes take place at the state-of-the-art KeyBank Public Safety Training Center and the new Simulated Scenario Village at the College's Western Campus.

The Tri-C Public Safety Center of Excellence can set you on a path to a rewarding career or help you upgrade your skills for career advancement. For more information or to schedule a tour, visit tri-c.edu/publicsafety or call 216-987-3031.
