

SUMMER 2022 CAMPS

Tri-C is excited to offer more than **30 in-person and virtual camps** this summer for **ages 4 and up**, featuring:

- Coding
- Game design
- Performing arts
- Fab Lab
- Music
- STEM

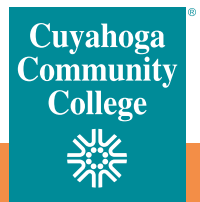

- **Mad Science® camps** give kids the opportunity to make radical chemical reactions, learn about outer space or assemble a working lightsaber to take home.
- **Crayola® Artist's Passport** takes campers on an around-the-world cultural adventure while practicing techniques developed by local artists and artisans.

- **Black Rocket camps** focus on 3D game design, coding and programming.
- **Creative Arts Academy camps** offer options for ages 4-18, including dance academy, vocal arts mastery, film scoring, orchestra and JazzFest academy.
