VISION

The Cuyahoga Community College (Tri-C®) Department of Campus Police and Security Services is dedicated to protecting life and property, and detecting and preventing crime. The department includes sworn and non-sworn personnel, police, security, dispatchers and student patrol officers. As members of the academic community, the department serves the College with courtesy, pride, dependability and sensitivity. It is the goal of Cuyahoga Community College's Department of Campus Police and Security Services to serve all persons equally, without regard to race, color, creed, ethnicity, religion or sexual orientation.

The Department of Campus Police and Security Services at Cuyahoga Community College has received full accreditation status from The Commission on Accreditation for Law Enforcement Agencies Inc. (CALEA®). Tri-C is the first community college in Ohio to have achieved that honor.

CALEA was created in 1979 as a credentialing authority through the efforts of law enforcement's major executive associations: International Association of Chiefs of Police, National Organization of Black Law Enforcement Executives, National Sheriffs' Association and the Police Executive Research Forum.

The accreditation program is designed to improve the delivery of public safety services, primarily by maintaining a body of standards developed by public safety practitioners, covering a range of up-to-date public safety initiatives, establishing and administering an accreditation process, and recognizing professional excellence.

SAFETY AND SECURITY

Clayton A. Harris
Vice President/Chief of Police

The Department of Campus Police and Security Services makes its Annual Campus Security Report available in our office and at various areas throughout the College's campuses. This information may also be found on our webpage at <http://www.tri-c.edu/administrative/campuspolice>. This report is a compilation of crime statistics, as well as procedures and programs for preventing and dealing with incidents of sexual assault, sexual harassment and substance abuse.

The annual report and aforementioned procedures and programs are provided in compliance with the Higher Education Amendments of 1998 and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20USC1092f). Questions concerning the Department of Campus Police and Security Services or this material may be directed to the Office of the Chief of Police by email (clayton.harris@tri-c.edu) or by calling Central Dispatch at 216-987-4325.

CAMPUS SECURITY ACT (JEANNE CLERY ACT)

The Student Right-to-Know and Campus Security Act was signed into law in November 1990. Title II of this Act is known as the (Jeanne Clery) Crime Awareness and Campus Security Act. It requires institutions participating in student financial aid programs under Title IV of the Higher Education Act of 1965 to disclose information about campus safety policies and procedures, and to provide statistics concerning certain crimes that have occurred on campus.

In compliance with the act, each Oct. 1, all institutions must publish and distribute an annual security report that contains three years' worth of campus crime statistics and certain security policy statements, including sexual assault policies which assure basic victims' rights, the law enforcement authority of campus police and where students should go to report crimes. This report is automatically available to all current students and employees. Prospective students and employees also have an opportunity to request a copy. A copy of the statistics must also be provided to the U.S. Department of Education.

Each school must disclose crime statistics for the campus, unobstructed public areas immediately adjacent to or running through the campus and certain non-campus facilities, including remote classrooms. The statistics are gathered from campus police or security, local law enforcement and other school officials who have "significant responsibility for student and campus activities," such as student judicial affairs directors.

This booklet fulfills our need to keep the community of Cuyahoga Community College informed of safety and security matters. With campuses in the center of urban settings, we face many unique challenges. Our biggest challenge is to reduce the fear of crime in our community. Fear of crime is a reality that we must address; however, in many cases, it is separate and distinct from instances of actual crime.

Each year, we develop innovative strategies to address both crime and the fear of crime. This booklet will outline many of those programs. We must involve all segments of the community if we want to make an impact. We are working together diligently to develop a collaborative effort, which will be attained.

CAMPUS SEX CRIMES PREVENTION ACT

Where to Find Information on Registered Sex Offenders

In compliance with the Campus Sex Crimes Prevention Act, the Department of Campus Police and Security Services issues the following statement: "A list of registered sex offenders is provided on the Cuyahoga County Sheriff's Office website as a service to the community. You may visit this site at <http://www.sheriff.cuyahogacounty.us/sou.asp>." Refer to Page 3 to see the College's new policy on Sex Offender Reporting.

HOUSE BILL 180

In 1997, the Governor of Ohio signed into law House Bill 180, the Sexual Offender Registration Bill. The bill requires sheriff's offices throughout the state to develop and implement a registration system for convicted sexual offenders. The Sexual Offender Unit for the Cuyahoga County Sheriff's Office was developed and designed to inform, safeguard and prevent violent sexual crime in the community. The Sexual Offender Unit is responsible for registering and making the citizens of Cuyahoga County aware of serious offenders living in the community. The residence location of less serious offenders is also tracked on a database used to locate an individual in the event they repeat their former pattern of criminal behavior.

SEX OFFENDER REPORTING POLICY

3354:1-30-03.11 STUDENT SEXUAL OFFENSE AND CHILD VICTIM OFFENSE ADMISSION AND REPORTING POLICY

1. The College is committed to providing equal opportunity in its enrollment procedures while maintaining an atmosphere conducive to student and educational growth, as well as one that encourages civility. The Student Sexual Offense and Child Victim Offense Admission and Reporting Policy is established to promote the safety and well-being of the College community.
2. All continuing, returning, new credit and noncredit students who have been convicted of any sexual offense (including any plea bargains) or any crime against a minor have been designated a sex offender or child-victim offender under the law of the state of Ohio or from any other state or country, within the past 15 years, are required to self-report to the College upon application for admission to the College, registration for classes (initial or continuing) or reenrollment in the College.
3. Applicants with violent sexual offense convictions, as designated by the tier status of the offender, and child-victim offenders will not be admitted.
4. The College reserves the right to deny, defer or place conditions upon admission and/or registration based on the nature and circumstances of the crime.
5. All questions regarding the tier status of an applicant/student will be resolved in accordance with guidelines established by the state of Ohio for registered sex offenders and guidelines set forth by the Office of the Ohio Attorney General, the Ohio Department of Rehabilitation and Corrections, the Ohio Department of Public Safety and the Cuyahoga County Sheriff's Office.

DEPARTMENT OF CAMPUS POLICE AND SECURITY SERVICES

PREPARING THE ANNUAL DISCLOSURE OF CRIME STATISTICS

The Department of Campus Police and Security Services maintains daily, weekly and monthly statistics on all occurrences reported on all Cuyahoga Community College campuses and their surrounding public areas. These statistics are published annually (October of each year) by Campus Police and Security Services, in compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 (formerly the Crime Awareness and Campus Security Act of 1990).

The Student Right-to-Know and Campus Security Act was signed into law in November 1990. Title II of this Act is known as the Crime Awareness and Campus Security Act. It requires institutions participating in student financial aid programs under Title IV of the Higher Education Act of 1965 to disclose information about campus safety policies and procedures and to provide statistics concerning certain crimes that occurred on campus. In compliance with the act, each year by Oct. 1, institutions must publish and distribute to current and prospective students, faculty and staff an annual security report that includes statistics concerning the occurrence on campus of certain criminal offenses reported to campus officials along with statements about campus law enforcement policies, campus security education and prevention programs, alcohol and drug policies, sexual assault education prevention programs, procedures for reporting sexual assaults, and procedures for handling reports of sexual assault.

Your “Right to Know” booklet is available to all students, faculty and staff at the Campus Police and Security Services offices throughout the College. This booklet fulfills our need to keep the Cuyahoga Community College population informed of safety and security matters. With campuses in the center of urban settings, we face many unique challenges. Our biggest challenge is to reduce the fear of crime in our community. Fear of crime is a reality that we must address. In many cases, it is separate and distinct from instances of actual crime. Each year we develop innovative strategies to address both crime and the fear of crime. This booklet will outline many of those programs. We must involve all segments of the community if we want to make an impact. We are working diligently, and it takes time to develop a collaborative effort; together, we will make it happen.

The department includes sworn and non-sworn personnel, police, security, dispatchers and student patrol officers. As members of the academic community, the Department of Campus Police and Security Services serves the College with courtesy, pride, dependability and sensitivity. It is the goal of the Cuyahoga Community College Department of Campus Police and Security Services to serve all persons equally, without regard to race, color, creed, ethnicity, religion or sexual orientation. Cuyahoga Community College is proud of the safety/security record on campus and recognizes that effective safety/security programs require the cooperation and assistance of all members of the College community. Your observations, reports and commentary on all Campus Police and Security Services issues and services are encouraged. Safety and security is everyone's business.

OUR MISSION

We will provide the highest quality of law enforcement services, striving for excellence in all that we do. We are committed to the prevention of crime, protection of life and property and the preservation of peace and order, while maintaining a safe learning environment. We are dedicated to serving all people with respect, fairness and compassion.

CAMPUS POLICE AND SECURITY SERVICES

The Campus Police and Security Services offices are located at Metropolitan Campus (MCON 90), Eastern Campus (ESS 1209), Western Campus (WSS G101), Westshore Campus (SLT 123) and Corporate College West (174A), and Brunswick University Center (BUC 110). Professional law enforcement personnel patrol all campuses 24 hours a day, year-round. The department is organized into several units: a patrol section that provides proactive vehicular, bicycle and foot patrols; a crime prevention section that stresses crime awareness through the presentation of educational programming and crime prevention surveys; and parking patrol officers, who conduct hourly patrols of parking lots and garages. Police officers and student patrols provide escort service for members of the campus community. Officers receive training at police academies certified by the Ohio Peace Officer Training Council on Law Enforcement Education and Training. Officer candidates are subjected to drug testing, a psychological evaluation and a background investigation. The Chief of Police appoints these officers to Cuyahoga Community College's Department of Campus Police and Security Services. This appointment allows the officers to exercise enhanced authority including, but not limited to, the power of arrest based on probable cause and the right to confiscate stolen property, illegal weapons and controlled substances. Officers are authorized to carry a firearm and are also trained in the effective use of a baton and pepper spray. The Department of Campus Police and Security Services has a strong working relationship with various police departments surrounding all Cuyahoga Community College campuses. These departments include Cleveland Police, Highland Hills Police, Westlake Police, Parma Police, Parma Heights Police, Brunswick Police, Euclid Police and many others. Each year the Department of Campus Police and Security Services works together with area police departments to investigate and solve cases involving Cuyahoga Community College members.

CENTRAL DISPATCH

The Central Dispatch Center operates 24 hours a day. Dispatchers are certified by the KeyBank Public Safety Training Center of Excellence. Our dispatchers are trained in the InterBADGE® and InterCAD® police reporting systems, Law Enforcement Automated Data System (LEADS), telecommunications, and alarm and video surveillance systems. Calls placed to Campus Police and Security Services are answered in Central Dispatch and relayed to officers in the field.

STUDENT PATROL

Student Patrol is a work-study program that allows Cuyahoga Community College students to gain work experience in the law enforcement environment while earning income. Student Patrol officers assist the department by providing services to the campus community, protecting life and property, preventing and detecting criminal activity using non-physical intervention techniques, and reporting health, safety and environmental hazards. The uniformed Student Patrol service is best thought of as an extension of the “eyes and ears” of the department. Improved safety and security, order maintenance, good public relations and quality communications are the expected results.

NOTE: The Student Patrol program was suspended in 2020 due to campus closures related to the COVID-19 pandemic.

COMMENDING CAMPUS POLICE AND SECURITY SERVICES PERSONNEL OR FILING MISCONDUCT COMPLAINTS

For many years, Cuyahoga Community College's Department of Campus Police and Security Services has rendered loyal and dedicated service in carrying out its safety and security mission for the College community. The College has adopted the following procedures for members of the community to commend the performance of Campus Police and Security Services personnel, or to address allegations of misconduct or abuse of authority.

COMMENDING CAMPUS POLICE AND SECURITY SERVICES PERSONNEL

To commend any Campus Police and Security Services personnel for outstanding performance of duty at any of our campuses, contact the Chief of Police, at 216-987-4425. Give the name of the person, the action you would like to commend and the approximate time the action occurred.

ALLEGATIONS OF MISCONDUCT OR ABUSE OF AUTHORITY

The College has a formal complaint procedure to address allegations of misconduct or abuse of authority. The purpose of this procedure is to provide additional safeguards to members of the Cuyahoga Community College community by establishing a system to subject any employee of this department to corrective action if he or she acts improperly. The procedure also protects the employee from unwarranted criticism when duties are performed properly. These procedures provide a just and expeditious disposition of complaints regarding the conduct of Campus Police and Security Services personnel.

GENERAL COMPLAINT PROCEDURE

Generally, whether a student, staff member or faculty member files a complaint, the process involves reporting the alleged misconduct or abuse of authority and transmittal of that report to the site supervisor and the patrol lieutenant of the Department of Campus Police and Security Services. The Department of Campus Police and Security Services is charged with the investigation of all complaints lodged. The Department of Campus Police and Security Services shall exercise its discretion in conducting the investigation in a manner that takes into consideration the rights of the accused, the rights of the complainant and the safety and needs of the College community while the investigation is being conducted. Based on its investigation, the Department of Campus Police and Security Services will find the complaint substantiated or non-substantiated. If the complaint is substantiated and discipline of the personnel involved is warranted, The Department of Campus Police and Security Services will coordinate its proposed discipline with the Human Resources department. The Department of Campus Police and Security Services will notify both the Campus Police and Security Services member and the complainant regarding the findings and disciplinary outcome.

COMPLAINTS FROM OUTSIDE THE COLLEGE COMMUNITY

Complaints lodged by individuals other than students, staff and faculty shall be filed with the Department of Campus Police and Security Services or Human Resources. The Department of Campus Police and Security Services will conduct its investigation, make findings and where discipline is warranted, will coordinate the discipline with the Human Resources department. The complainant will be notified of the outcome of the investigation and any discipline imposed.

CAMPUS FACILITIES INFORMATION

GENERAL ACCESS

Access to campus buildings and grounds is a privilege extended to students, faculty, staff and guests. The college encourages an open environment with certain limitations to assure adequate protection of all members of the college community. Most campus facilities are normally open when classes are in session. Special arrangements should be made with the Events Scheduling Office, or the Department of Campus Police and Security Services for access outside of normal business hours. The general public can attend cultural and recreational events on campus, with access limited to facilities in which the events are held. Authorization for use of campus grounds for assembly purposes must be obtained in advance from the Events Scheduling Office at each campus. At night and during times when the campus is officially closed, college buildings are locked, only faculty, staff or students with proper authorization are permitted into the facility during these times. The college will prosecute any unauthorized person who trespasses or loiters on college property.

NOTE: Campuses were closed for the majority of 2020 due to the COVID-19 pandemic.

If any of these conditions are found, they should be brought to the attention of the Department of Campus Police and Security Services at 216-987-4325.

MAINTENANCE OF CAMPUS FACILITY

Plant Operations provides maintenance of campus buildings and grounds. Plant Operations provides maintenance of campus buildings and grounds, and monitors and repairs unsafe facility conditions for those raising concerns for personal safety and property protection. Conditions can include inoperative locking hardware, exterior lighting, steps and handrails, unsecured equipment, and hazardous conditions. If any of these conditions are found to be unsafe, they should be brought to the attention of the Department of Campus Police and Security Services 216-987-4325. Maintenance staff are available days, evenings and weekends throughout the year.

CRIME AWARENESS

EDUCATING THE COMMUNITY OF CUYAHOGA COMMUNITY COLLEGE

Campus security procedures are discussed during new student orientation, student retreats and other gatherings that include students, potential students, and employees. During these presentations, the following information is presented: crime prevention tips, crime statistics, information regarding Campus Police and Security Services and its security policies and procedures, as well as our capabilities. During the fiscal year, we provide programs to educate people of all ages on the importance of safety both on and off campus. Hundreds of children are trained in the safe operation of their bicycles by way of our Bicycle Safety and Awareness Days, which are held at each campus annually. Campus Police and Security Services also address criminal activity, which could affect young and old alike. Our goal is to educate the community on crime, in order to protect themselves and their loved ones from being a potential victim.

NOTE: Community safety programming was suspended in 2020 due to campus closures related to the COVID-19 pandemic.

FREQUENTLY ASKED QUESTIONS ON CRIME

ARE CUYAHOGA COMMUNITY COLLEGE CAMPUSES SAFE?

Yes! Cuyahoga Community College is a safe learning environment. This does not mean crime does not occur; however, violent crime is rare. Use common sense crime prevention techniques to lessen your chance of becoming a victim.

WHAT CRIME OCCURS MOST OFTEN?

Minor theft of property occurs most often. Any property left unattended and/or visible to the public is vulnerable. Roughly, 75% of reported crimes are thefts. Most thefts are the result of personal property left unattended and in public view.

ARE THE PARKING LOTS SAFE?

Yes! Cuyahoga Community College police officers patrol parking lots 24 hours a day.

IS THERE A DRUG PROBLEM ON CAMPUS?

No! Possession, use and distribution of illegal drugs are a violation of state law and those caught will be prosecuted. The Campus Police and Security Services Department works with local law enforcement agencies to reduce the availability of drugs in the community.

IS THERE AN ESCORT SERVICE AVAILABLE TO STUDENTS?

Yes! The Escort Service operates during school hours. A call to Campus Police and Security Services at ext. 4325 with your request is all that is needed. An officer or student patrol will arrive to escort you to your vehicle.

ARE THERE EMERGENCY PHONES ON CAMPUS?

Yes! Yellow emergency phones, blue beacon phones, as well as house phones are located throughout the campuses.

HOW CAN I COMPARE CRIME STATISTICS OF CUYAHOGA COMMUNITY COLLEGE WITH OTHER COLLEGES AND UNIVERSITIES?

There are several easy ways. Each school is required to make available annual crime statistics. A direct request to a school will enable you to get the statistics. Another way would be to go to a library

and request the Uniform Crime Reports published by the U.S. Department of Justice. This is an excellent document for use in comparing crime statistics.

IF I AM UNDER 21 AND CAUGHT FOR UNDERAGE POSSESSION OF ALCOHOL, WHAT WILL HAPPEN TO ME?

If you are under the legal age for consumption of alcohol in Ohio, you will probably be arrested for underage possession of alcohol. Possession includes alcohol that you have already consumed and alcohol in any type of container, whether open or not. If you are arrested, you will face criminal prosecution, which may include fines and/or other punishments through the local courts. You will also be referred to the Dean of Student Affairs for possible College sanctions.

WILL MY VEHICLE BE SAFE ON CAMPUS?

Generally, vehicles are safe. Thieves target vehicles for different reasons. The vehicle itself is targeted because there is a demand for that vehicle or property inside. The vehicle attracts the thief. Expensive stereo equipment, and loose change and personal property easily seen by the thief, can make the vehicle more attractive. Parking the vehicle in well-lit and traveled areas may reduce the vulnerability of a particular vehicle. There have been very few instances where vehicles with alarms were entered or stolen.

IS IT SAFE TO LOCK MY BICYCLE OUTSIDE WHILE ON CAMPUS?

The answer to this question depends on what lengths you are willing to go to secure your bicycle. Too often, students place cheap cable locks on very expensive bicycles. Bicycle thieves are looking for easy targets. Cheap locks or improperly secured locks are an open invitation to thieves. If you are going to bring an expensive bike to campus, spend a few extra dollars on a quality-locking device and learn how to properly secure your bike. The few extra seconds you spend securing your bike properly will go a long way toward discouraging thieves.

SEXUAL ASSAULT

SEXUAL ASSAULT

Rape and all other forms of sexual assault are a violation of the Cuyahoga Community College code of student conduct as well as being a violation of the law.

MALE VICTIMS

While most victims of sexual assault are women, some men are also victims. Male victims at Cuyahoga Community College receive the same services as women. Emotional support, options counseling, legal advocacy, and medical treatment are available to assist all those recovering from sexual assault.

IF YOU ARE A VICTIM

STEPS TO TAKE IF YOU ARE BEING ATTACKED:

1. Be aware of your capabilities and limitations. Your judgment and thinking will be your best weapons. Evaluate the situation for possible avenues of escape.
2. Your first concern should be for your safety and survival. Use your judgment to do what is necessary to save your life. That may mean making a scene and drawing attention to yourself so the assailant leaves. It may buy you enough time to escape. It may mean fighting back. It may mean not physically resisting.
3. If you choose not to physically resist the attack, it does not mean that you have asked to be raped. It means that you did what you needed to do to survive.
4. Remember – There is not just one “right” way to respond. The person being attacked is the best judge of which options will work well for them in that situation.

STEPS TO TAKE IF YOU ARE RAPED OR SEXUALLY ASSAULTED:

1. Get to a safe place as soon as you can try to preserve all physical evidence.
2. Do not wash, use the toilet, or change clothing if you can avoid it. If you do change clothes, put all clothing you were wearing at the time of the attack in a paper, not plastic, bag
3. Get medical attention as soon as possible to make sure you are physically well and to collect important evidence in the event you may later wish to take legal action.
4. Contact the Department of Campus Police and Security Services (follow procedures outlined in this booklet).
5. Talk with a counselor who will maintain confidentiality, help explain your options, give your information and provide emotional support.
6. Contact someone you trust to be with you and support you.

PAST ABUSE

Many individuals experience sexual assault and never tell anyone about it at the time of the incident. If you were victimized weeks or years ago, assistance is still available to you. Talking with someone now may help you cope better with abuse from the past, whether it was rape, child sexual abuse, incest or sexual harassment.

MEDICAL TREATMENT

A special exam should be conducted as soon as possible following an assault to make sure of your physical well-being and to collect evidence that may be useful in criminal proceedings. Even if you have not been physically hurt, this special exam is strongly recommended to maintain all your legal options. After the evidence is collected, it is stored in the event you decide to press criminal charges. The exam is performed by an emergency department physician or gynecologist. A nurse is present throughout the procedure and a support person of your choice may also be present. Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished.

You may have a support person with you during the interview.

The reasons for reporting to the Department of Campus Police and Security Services are:

VIOLENCE AGAINST WOMEN ACT

VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013

Cuyahoga Community College does not discriminate on the basis of sex in its educational programs. Sexual harassment and sexual violence are types of sex discrimination. Other acts can also be forms of sex-based discrimination and are also prohibited whether sexually based or not, to include dating violence, domestic violence, and stalking. As a result, Cuyahoga Community College issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence and stalking, whether the incident occurs on or off campus, and is reported to a College official. Cuyahoga Community College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the college community.

For a complete copy of Cuyahoga Community College's policy governing sexual misconduct, refer to page 28 of the 2020-2021 Student Handbook at www.tri-c.edu/studentresources/documents/studenthandbook.pdf.

The College's Title IX Coordinator is Meghan Estes, she may be contacted by phone at, 216-987-3949, or by email at Meghan.Estes@tri-c.edu.

A. Definitions

There are numerous terms used by Cuyahoga Community College in our policy and procedures.

Below you will find definitions for the Clery reporting crimes under the new Violence Against Women Act.

Domestic Violence: The term "domestic violence" means

1. Felony or misdemeanor crimes of violence committed –
 - i. By a current or former spouse or intimate partner of the victim
 - ii. By a person with whom the victim shares a child in common
 - iii. By a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner
 - iv. By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred
 - v. By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred
2. For the purposes of complying with the requirements of this section and section 668.41 of the Code of Federal Regulations (CFR), any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Dating Violence: The term "dating violence" means violence committed by a person:

1. Who is or has been in a social relationship of a romantic or intimate nature with the victim
2. The existence of such a relationship shall be based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

For the purposes of this definition:

- i. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - ii. Dating violence does not include acts covered under the definition of domestic violence.
3. For the purposes of complying with the requirements of this section, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

VIOLENCE AGAINST WOMEN ACT *continued*

Stalking: The term “stalking” means

1. Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
 - i. Fear for the person’s safety or the safety of others
 - ii. Suffer substantial emotional distress.
2. For the purposes of this definition:
 - i. Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.
 - ii. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
 - iii. Reasonable persons means a reasonable person under similar circumstances and with similar identities to the victim.
3. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

B. Assistance for Victims: Rights and Options

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the college will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options.

Further, Cuyahoga Community College complies with Ohio law in recognizing orders of protection, restraining orders and no-contact orders. Any person who obtains an order of protection from Ohio or any other state should provide a copy to Campus Police and the Office of the Title IX Coordinator.

The Violence Against Women Act, which is a federal law, states that all valid orders of protections granted in the United States receive “full faith and credit” in all state and tribal courts within the U.S., including U.S. territories. Each state must enforce out-of-state orders of protection in the same way it enforces its own orders, which means that if someone violates an out-of-state order of protection, he or she will be punished according to the laws of whatever state you are in when the order is violated. This is what is meant by “full faith and credit.”

A complainant may then meet with Campus Police to develop a safety action plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc.)

Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20).) Further, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures. The College does not publish the name of crime victims nor house identifiable information regarding victims in the campus police departments Daily Crime Log or online.

The College cannot apply for a legal order of protection, no-contact order or restraining order for a victim from the applicable jurisdiction(s). The victim is required to apply directly for these services. For more assistance, visit the Cuyahoga County website at: <http://domestic.cuyahogacounty.us/en-US/domestic-violence-faqs.aspx>.

How to be an Active Bystander

Bystanders play a critical role in the prevention of sexual and relationship violence. They are “individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it.”¹ We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list² of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/ employees. If you see someone who looks like they could be in trouble or need help, ask if they are OK.
2. Confront people who seclude, hit on, and try to make out with, or have sex with, people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.

5. Refer people to on or off campus resources listed in this document for support in health, counseling or with legal assistance.

Risk Reduction

With no intent to blame victims, and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one’s risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. **Be aware** of your surroundings. Knowing where you are, and who is around you, may help you to find a way to get out of a bad situation.
2. Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
3. **Walk confidently**. Act like you know where you are going, even if unsure.
4. **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
5. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
6. **Make sure your cell phone is with you** and charged, and that you have cab money.
7. **Don’t allow yourself to be isolated** with someone you don’t trust or know.
8. **Avoid putting headphones in both ears** so you can be more aware of your surroundings, especially if you are walking alone.
9. **When you go to a social gathering, go with a group of friends**. Arrive together, check in with each other throughout the evening and leave together. Knowing where you are and who is around you may help you find a way out of a bad situation.
10. **Trust your instincts**. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).

VIOLENCE AGAINST WOMEN ACT *continued*

11. **Don't leave your drink unattended** while talking, dancing, using the restroom or making a phone call. If you've left your drink alone, get a new one.
 12. **Don't accept drinks from people you don't know or trust.** If you choose to accept a drink, go with the person to the bar to order it, watch it being poured and carry it yourself. At parties, don't drink from punch bowls or other large, common open containers.
 13. **Watch out for your friends and vice versa.** If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had or is acting out of character, get him or her to a safe place immediately.
 14. If you suspect you or a friend has been drugged, contact law enforcement, which can be immediately reached by calling 911 in most areas of the U.S. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
 15. If you need to get out of an uncomfortable or scary situation, here are some things you can try:
 - a. Remember that being in this situation is not your fault. You did not do anything wrong, it is the person making you uncomfortable who is to blame.
 - b. Be true to yourself. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right and what you are comfortable with.
 - c. Have a code word with your friends or family so that if you don't feel comfortable you can communicate your discomfort without the person you are with knowing.
- Your friends or family can then pick you up or make an excuse for you to leave.
- d. Lie. If you don't want to hurt the person's feelings, it is better to make up a reason to leave than to stay and be uncomfortable, scared or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well or having somewhere else that you need to be.
16. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
 17. If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

C. Adjudication of Violations

Reports of all domestic violence, dating violence, sexual assault and stalking made to Campus Public Safety will automatically be referred to the Title IX Coordinator for investigation regardless of whether the complainant chooses to pursue criminal charges. Whether or not criminal charges are filed, the College³ or a person may file a complaint alleging that a student or employee violated the College's policy. A person alleging sexual assault, domestic violence, dating violence or stalking may also utilize the complaint and investigatory procedures set forth in the college's policy against sexual harassment (see page 24) in order to remedy any hostile environment.⁴ All conduct proceedings against students will be handled through the office of the Dean of Student Affairs.

³ Title IX states that if an institution knows or reasonably should know of sexual harassment, to include sexual violence, the institution has a duty to investigate. Consequently, whether a complainant chooses to cooperate or not should not be the deciding factor for whether or not disciplinary charges are brought against an accused party. If an investigation determines that it is more likely than not that the institution's sexual misconduct policy was violated, then the "University" may assume the role of the complainant

⁴ "Hostile Environment" is the term used by Title VII in employment law as it relates to action taken against a person in retaliation of a complaint of sexual harassment or for cooperating with a sexual harassment investigation. Under Title IX, the term used is "retaliation." Institutions may choose to provide both terms for clarification although it is not required.

When a complainant does not consent to the disclosure of his or her name or other identifiable information to the alleged perpetrator, the college's ability to respond to the complaint may be limited.

Confidentiality

The College will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence or stalking to the fullest extent of the law and as previously mentioned in this document. Although there is an expectation of confidentiality with regard to the process, Cuyahoga Community College recognizes that the complainant, respondent and witnesses may need support. Should the need arise for parties and/or witnesses to seek support or share with others information regarding this process, they are encouraged to confer with the designated reporting representatives regarding this action, including how to find support.

Sanctions and Protective Measures

If a person is found to have violated Cuyahoga Community College's Title IX Policy, the sanctions may include, but are not limited to, suspension, expulsion, no-contact orders, banning from campus or collegereLATED activities, training, degree revocation, or in the case of an employee or faculty, discipline up to and including termination.

For students, sexual assault, domestic violence, dating violence and stalking are violations of the Student Conduct Code.

Employees who violate this policy will be subject to discipline, up to and including termination of employment. Sexual assault, domestic violence, dating violence and stalking are criminal acts which also may subject the perpetrator to criminal and civil penalties under federal and state law.

The Title IX Coordinator, Deputy Coordinators, or college designee will determine whether interim protective measures should be implemented, and if so, take steps to implement those protective measures as soon as possible. Protective measures may be temporarily in place during the investigation and may become permanent pending investigation outcome. Cuyahoga Community College may take

protective interim measures (such as a no-contact order, change in class schedule, suspension, etc.) while investigating Title IX complaint violations. These remedies may be applied to one, both, or multiple parties involved.

The College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as the result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

Retaliation

Retaliation is prohibited by Title IX and will constitute separate grounds for disciplinary action. Retaliation is the act of taking adverse action against a complainant, a respondent, or any other person involved in the process under this policy based on the person's reporting or participation in any process under this policy.

Sex Offender Registration

The federal Campus Sex Crimes Prevention Act, enacted Oct. 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed, carries on a vocation, volunteers services or is a student. Please refer to page 3 to see the college's new policy for sex-offender registration.

SEXUAL HARASSMENT

MESSAGE FROM THE PRESIDENT

Cuyahoga Community College views sexual harassment as a form of misconduct that is contrary to the College's objectives of providing a hospitable work and academic environment for all employees and students based upon mutual trust, respect and human dignity. It is the policy of Cuyahoga Community College that no member of the College community may sexually harass another. Sexual harassment is a violation of the law and college policy 30 035 003, and will not be tolerated.

Alex Johnson

President, Cuyahoga Community College

WHAT IS SEXUAL HARASSMENT?

The Equal Employment Opportunity Commission (EEOC) defines sexual harassment as any unwelcome sexual advance, requests for sexual favors, or other verbal or physical conduct of a sexual nature, when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or student status.
2. Submission to or rejection of such conduct is used as a basis for decisions affecting that individual with regard to employment (raises, job, work assignments, discipline, etc.) or to student status (grades, references, assignments, etc.).
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience, or creates an intimidating, hostile or offensive work and/or educational environment.

Sexual harassment may involve the behavior of a person of either gender against a person of the opposite or same gender. Sexual harassment takes many forms, from jokes that have implicit or explicit sexual connotation to actual physical assault. It may involve threats of loss of job or a failing grade. Your coworkers or fellow students may make your work, study or living environment uncomfortable through sexual comments, suggestions or pressuring.

Sexual harassment is not an expression of sexual or romantic interest; it is behavior associated with an abuse of one person's power and dominance

over another. Sexual harassment is a form of sex discrimination covered under Title VII of the Civil Rights Act of 1964, which prohibits sex discrimination in employment, and Title IX of the Educational Amendments of 1972, which prohibits sex discrimination against students and employees in educational institutions receiving federal funds.

What Are Your Responsibilities?

Do not sexually harass anyone at Cuyahoga Community College. Both you and the College can be held legally responsible. Confront the harasser and advise him/her that you are offended by the behavior. Tell the harasser that you do not like what was said or done to you and that the behavior must cease.

BE DIRECT.

Make confidential written notes of the harassment. Include the date, time and place of the harassment and the circumstances surrounding it. Cite the names of any witnesses who can substantiate the incident. If harassment persists or is evident, submit a complaint to the Office of Diversity and Inclusion or to one of the Sexual Harassment Site Advisors. The law prohibits retaliation for filing a complaint of sexual harassment. Administrators, faculty and supervisors who are informed of alleged acts of discrimination or suspect them are required to report the incidents to the Office of Diversity and Inclusion. Failure to do so could put you in legal jeopardy.

WHERE CAN YOU GO FOR ASSISTANCE?

Should you suspect that you or someone you know is being sexually harassed, you should contact the Office of Affirmative Action and Diversity or a Site Advisor for further information regarding your rights and responsibilities. Every member of the College community has a responsibility to report acts of sexual harassment. For further information, for answers to questions, for additional copies of this booklet, or to file a complaint, call one of the Sexual Harassment Site Advisors listed below:

OHIO REVISED CODE SECTION 3354.09

A. Introduction

Title VII of the Civil Rights Act of 1964 provides that it shall be an unlawful, discriminatory practice for any employer, because of the sex of any person, to discharge without just cause, to refuse to hire, or otherwise to discriminate against that person with respect to any matter directly or indirectly related to employment. Harassment of an employee based on sex violates this federal law.

Consistent with this law, the Board of Trustees of Cuyahoga Community College views sexual harassment as a form of misconduct. This is against the College's objective of providing a work and academic environment for all employees and students that is based upon mutual trust, respect, and human dignity, and is contrary to the most fundamental ethical canons of the academic community. The College, therefore, fully accepts its responsibility to maintain a work place and academic environment that is free from sexual harassment and to ensure that all employees and students deal honestly and fairly with one another and respect the rights, privacy and integrity of all persons.

B. Conduct that Constitutes Sexual Harassment

In accordance with guidelines issued by the Federal Equal Employment Opportunity Commission (EEOC), unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature will constitute unlawful sexual harassment when:

1. Submission to sexual conduct is an explicit or an implicit term or condition of an individual's employment or of a student's status in a course, program, or activity.
2. Submission to or rejection of sexual conduct by an individual is used as the basis for any employment or academic decision affecting that individual.

3. The sexual advances, requests for sexual favors, and/or verbal or physical conduct of a sexual nature have the purpose or effect of substantially interfering with an individual's work or academic performance or create an intimidating, hostile, or offensive working or learning environment.
4. The following are examples of unwelcome conduct, which may constitute sexual harassment:
 - Requests for sexual favors
 - Physical touching
 - Lewd or suggestive remarks
 - Request for dates or meetings after work or class
 - Demands for sexual favors in return for salary increases, promotion, other benefits of employment, grades or letters of recommendation
 - Sexually explicit magazines, pictures, or jokes displayed or told in the work area or the classroom
 - Questions or remarks about the sexual body parts of an individual

C. Summary

The Board of Trustees and the College Administration strongly disapprove of any form of sexual harassment in the work place or the classroom, including the acts of non-College employees. All College management, supervisory and faculty personnel have an affirmative responsibility to discourage and eliminate conduct inconsistent with this policy. Specific concerns or complaints regarding sexual harassment should be brought to the attention of the Executive Vice President for Human Resources/Administration through the attached procedure for resolving sexual harassment complaints. Disciplinary action will be promptly taken against any employee, supervisory or otherwise, found to have been engaged in unlawful sexual harassment.

EMERGENCY MEDICAL RESPONSE PROCEDURES

CAMPUS POLICE AND SECURITY SERVICES RESPONSE TO ILLNESS OR INJURY

In the event of a medical emergency the Department of Campus Police and Security Services, Central Dispatch Center should be contacted by phone at 216-987-4911. Dispatchers will send a campus police officer to the scene. For serious injuries or illness, dispatchers will immediately contact Emergency Medical Services (EMS).

Campus police officers are trained state-certified emergency first responders. Officers responding to the scene will perform advanced first aid, patient assessments, intervene in life-threatening conditions, and report patient status to dispatch. First responder officers will determine if emergency medical transportation is needed. The officer(s) will maintain patient care until arrival of EMS.

In the event of minor injuries, i.e. cuts or abrasions, a subject can be treated with first aid on the scene or by going to the Campus Police and Security Services office. Minor illnesses, which can be treated by over-the-counter drugs, can be addressed at the book center or a local drug store where necessary items can be purchased. The Department of Campus Police and Security Services will not administer or supply drugs of any kind.

MEDICAL TRANSPORTATION

If it is determined that an ambulance is needed for transportation to a hospital, Central Dispatch will contact Emergency Medical Services (EMS) and will relay to the officers on scene the estimated time of arrival. The Department of Campus Police and Security Services personnel do not transport sick or injured persons. EMS personnel are trained and equipped to administer aid to medical emergencies while transporting to a medical facility. The department of Campus Police and Security Services will transport persons to a hospital in the event of a mental health emergency.

If emergency medical transportation is refused, a refusal form will be generated and signed by the subject and responding officers.

MEDICAL INCIDENT REPORTING

Documentation of a medical incident will be entered into the Department of Campus Police and Security Services InterBADGE® reporting system. A copy of the incident report will be made available after three working days. A copy of the report will be forwarded to the Risk Management Department upon its completion.

When you call for help:

- Stay calm.
- Follow the dispatcher's instructions and answer all questions he/she may have.
- Do not hang up until told to do so.
- The dispatcher may give you instructions on what to do until the ambulance arrives.
- Don't move someone who is hurt unless he or she is in danger.
- Keep the person warm and comfortable.
- Make it easy for first responder crews to find you.

DEFIBRILLATORS

Cuyahoga Community College Department of Campus Police and Security Services officers are equipped with high-tech devices that can save lives. Automated External Defibrillators (AED), used to treat sudden cardiac arrest, are in police cruisers at all campuses.

The portable AEDs are about the size of a laptop computer. To be successful, they must be used as quickly as possible. Police officers are generally on the scene of an emergency before Emergency Medical Technicians arrive with their defibrillation equipment. Having portable AEDs in the hands of trained individuals who are often first on the scene can be the difference between life and death.

According to the American Heart Association, the chances of surviving a heart attack or other form of cardiac arrest drop by about 10% with each minute that passes between the time the heart stops beating and defibrillation begins.

AEDs come in bright yellow plastic boxes. The defibrillator shocks the victim's heart back into a normal rhythm by means of an electric current. The easy-to-operate design of the AED uses visual cues and step-by-step verbal instructions, delivered aloud by a recorded voice, to walk the trained operator of the machine through the process. Once the pre-connected electrodes are put in place, the AED automatically evaluates the victim's condition. It checks for a pulse and heartbeat, then customizes the defibrillation shock to meet the individual needs. The AED analyzes heart rhythms and varies instructions based on that information. Only if necessary will an electric shock be delivered through the device in an attempt to start the heart going again. The AED also delivers escalating energy with successive shocks. The information is downloaded into the computer's memory, showing a record of the steps that were taken to restart the victim's heart. The American Heart Association supports the high-tech life-saving equipment.

Department of Campus Police and Security Services officers are trained in basic first aid, first responder, and have been trained by the American Red Cross in the use of the AED.

AEDs may only be operated through a program under the supervision of a physician. This program will be operating under the authority of Dr. Thomas Collins, medical director of Cleveland Emergency Medical Services (EMS).

MEDICAL EMERGENCY DEFINITIONS

DEFINITIONS

4911 - Is the number dialed at Cuyahoga Community College to contact central dispatch for life-threatening emergencies (*Note: when using a pay phone or cell phone, dial 216-987-4911).

AED - Automated External Defibrillators (AED), used to treat sudden cardiac arrest.

Advanced First Aid - Skills necessary in an emergency to help sustain life, reduce pain and minimize the consequences of injury or sudden illness until more advanced medical help can arrive.

Campus Police Officer - Campus police officers at Cuyahoga Community College are graduates of the Ohio Peace Officers Training Academy. Officers have full arrest powers to enforce city, state, and federal laws as well as College policy and procedures.

EMS - Emergency Medical Services.

EMT - Emergency Medical Technician.

Emergency Phones - Yellow call boxes, blue beacon phones, house phones and elevator phones are located throughout the College's campuses. When activated, they have a direct connection to police dispatchers. Reports of crimes in progress, medical emergencies, fire, and other matters may be reported to the police dispatcher through the emergency phone system.

Emergency Medical Transportation Refusal Form –

A form generated upon refusal by subject to be transported/treated by EMS personnel

First Responder - First responders are police officers of the Department of Campus Police and Security Services who are trained in advanced first aid and are state certified as medical first responders. First responder officers can provide care to the sick or injured prior to paramedic ambulance arrival.

REMEMBER!

When a serious injury or illness occurs, friends or coworkers may seek emergency medical assistance by dialing ext. 4911 from any campus telephone or 216-987-4911 from public phones. You may also activate a campus blue beacon phone or yellow call box for emergency medical assistance.

The success of intervention in a medical emergency that involves illness or injury depends greatly on the initial observations and actions of the responding officers on the scene. The Cuyahoga Community College Department of Campus Police and Security Services recognizes its responsibility to provide the College community with highly trained police personnel who can render aid and assistance when dispatched to medical emergencies.

Officers trained as first responders are the first links of the Emergency Medical Service system. The first responder secures the scene, assesses the patient's condition, calls for emergency assistance, provides emergency medical care and turns patients over to Emergency Medical Technicians (EMT) or paramedic transport teams when they arrive.

FIRE SAFETY PROCEDURES

Observation of fire safety standards and practices is essential to a safe environment. Campus Police and Security Services officers inspect facilities daily for potential fire hazards. The Department of Campus Police and Security Services staff recommends the following measures to ensure a safe environment:

FIRE ALARM PROCEDURES

Individuals who discover a fire should immediately call Campus Police and Security Services to report the situation. If the fire is small, employees trained in the use of fire extinguishers may attempt to put out the fire if their personal safety will not be jeopardized. If the fire has become too large to safely put out with a hand extinguisher, and the fire alarm has not yet sounded, proceed to the nearest exit, pull the fire alarm and evacuate. In the event of a fire large enough to activate the sprinkler systems, the alarm for that building will automatically sound. All alarms are tied into a main notification system in the Campus Police and Security Services office. If the fire alarms are sounded, everyone in that building must evacuate.

EMERGENCY EVACUATION PROCEDURES

In the event of an evacuation, all persons must exit the building. At the beginning of each semester, all students have the responsibility of familiarizing themselves with the two most expeditious evacuation routes from each of their classrooms. All employees should evacuate the building by their assigned route to their designated gathering area. In the event of evacuation due to fire:

1. Turn off equipment (or follow specific written instructions for your area).
2. Exit calmly along your assigned route or to the nearest exit.
3. Do not delay by looking for belongings or friends.
4. Walk away from the building and proceed to a safe area or your predetermined gathering area.
5. Stay away from building utility areas and all firefighting equipment and hydrants.
6. Do not attempt to drive or move any vehicle unless directed to do so.
7. Stay in your area and DO NOT re-enter the building.

For all other emergency evacuations, follow the instructions of Campus Police and Security Services

or emergency personnel on hazardous areas to avoid or alternate means of evacuation.

PROCEDURES FOR DISABLED OR INJURED PERSONS

During a fire or an emergency, disabled or injured persons should enter the nearest stairwell and wait for rescue. Firefighters and Campus Police and Security Services personnel are responsible for checking stairwells and directing rescue operations. Firefighters/paramedics are responsible for the physical evacuation of all wheelchair students/personnel from the stairwells. Only under conditions of immediate danger should other personnel attempt rescue of wheelchair students/personnel. Stand clear of the area after evacuating to give emergency equipment and personnel room to maneuver. Follow the direction of fire, Campus Police and Security Services, and other emergency personnel. If there is smoke in the room, keep low to avoid smoke, heat, and fumes. Before opening any doors, feel the door first. If it is hot, do not open the door. If it is not hot, brace yourself against the door, open it slightly, and if heat or heavy smoke is present, close the door and leave by an alternative exit. If you cannot leave the room, keep the door closed. Seal the bottom of your room door and air vents with a rug, blanket or towel. If there is a phone in the room, dial 4911 and report that you are trapped. Be sure to give the building's name and location. If you can leave the room, leave a light on and close all doors behind you.

FALSE ALARMS/ARSON

False alarms create apathy that could result in a failure to evacuate in a real fire. They also create a needless hazard for responding firefighters as well as pedestrians and vehicles along the response route. Moreover, other city residents are subject to a delayed response in the event of an actual fire elsewhere. Intentionally giving a false alarm is a crime.

Arson is recklessly or purposely starting a fire that results in structural damage. Even as a prank, it is as dangerous as a misused deadly weapon. Lives could be lost as a result. Arson is a felony, punishable by a prison sentence. If you witness intentional fire-setting, no matter how minor, report it immediately to the Department of Campus Police and Security Services.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

HOW TO REPORT AN EMERGENCY OR A DISASTER

All emergencies or disasters must be reported to Campus Police and Security Services by dialing 4325 or 4911

THE CAMPUS POLICE AND SECURITY SERVICES is the department responsible for coordination, communication, and controlling traffic in and around the area of the emergency. Calling extension 4325 or 4911 will initiate activity on the part of the Campus Police and Plant Operations if appropriate. The Campus Police telephones are manned 24 hours a day, every day of the year. Additionally the Campus Police dispatch center has direct radio/telephone communication capabilities with the campus police, fire department, plant operations and the campus emergency response team. The caller will be in contact with the Campus Police dispatcher; these calls are recorded so they can be replayed to clarify information.

HOW DRILLS ARE CONDUCTED

Periodic drills are conducted to review student, faculty and staff awareness of evacuation routes, procedures and site response team effectiveness. All such drills are conducted with Plant Operations, Environmental Health and Safety, and the site emergency response team.

EMERGENCY NOTIFICATION SYSTEM

Cuyahoga Community College now uses the Blackboard emergency notification system. This system is designed to send emergency notifications to all faculty, staff and students within minutes of receiving notice of a threatening situation. The Blackboard system has the capability of sending voice phone messages, email, text, and fax. The system is available 24/7/365 and can be accessed via phone or online system. Additionally, for on-campus emergency situations, the College has a fire alarm system, which includes a public address (PA) system. If needed, Campus Police and Security Services can make emergency announcement to all building occupants. In addition to Blackboard and PA systems, the College also employs the use of local

TV and radio stations as well as using the College's web and Facebook sites for emergency notifications and updates.

EMERGENCY EVACUATION PROCEDURES

In the event of an evacuation, all persons must exit the building. At the beginning of each semester, all students have the responsibility of familiarizing themselves with the two most expeditious evacuation routes from each of their classrooms. All employees should evacuate the building by their assigned route to their designated gathering area. In the event of evacuation due to fire:

1. Turn off equipment (or follow specific written instructions for your area).
2. Exit calmly along your assigned route or to the nearest exit.
3. Do not delay by looking for belongings or friends.
4. Walk away from the building and proceed to a safe area or your predetermined gathering area.
5. Stay away from building utility areas and all firefighting equipment and hydrants.
6. Do not attempt to drive or move any vehicle unless directed to do so.
7. Stay in your area and DO NOT re-enter the building.

For all other emergency evacuations, follow the instructions of Campus Police and Security Services or emergency personnel on hazardous areas to avoid or alternate means of evacuation.

TO OBTAIN MORE SPECIFIC PROCEDURES FOR VARIOUS TYPES OF EVACUATIONS, PLEASE REFER TO THE COLLEGEWIDE "EMERGENCY PROCEDURE GUIDE" PAMPHLET.

HATE CRIMES

The FBI defines a hate crime (aka bias crime) as “a criminal offense committed against a person, property

or society which is motivated, in whole or in part, by the offender's bias against a race, religion, disability, sexual orientation or ethnicity/national origin.”

WHY REPORT HATE CRIMES AND HATE INCIDENTS?

Reporting hate crimes and incidents (even those you might not consider “serious”) is important for the monitoring and the prevention of future incidents. By reporting detailed information on incidents, you strengthen the case for official action on reported crimes, and identify trends that can be tracked and addressed by administration before incidents that are more serious occur. Hate crime and hate incident reporting will be treated as confidential information.

WHAT IS A HATE CRIME?

A hate crime is a crime committed because of the victim's race, color, religion, national origin, gender identity, age, disability, or sexual orientation. Hate crimes can include graffiti, verbal intimidation or threats, hate mail (including email), property damage, harassment, trespassing and stalking, physical assaults and threats, arson, attacks with weapons, and murder. Hate crimes are against Ohio law and are violations of the College's anti-discrimination policies.

WHAT IS A HATE INCIDENT?

Not all expressions of hate or group bias rise to the level of hate crime as defined in state and federal statutes. Derogatory words or epithets directed against a member of a previously defined group because they are a member of such group, if not accompanied by a threat or harm with the ability to carry it out, are considered protected speech and not a hate crime. They do, however, constitute a hate-related incident.

CAMPUS SECURITY ACT STATISTICS

On the following pages, you will find incidents of criminal activity that were reported to the Department of Campus Police and Security Services. We report these numbers in compliance with the Crime Awareness and Campus Security Act of 1990. PARKING FACILITIES UTILIZATION SURVEY

Parking facilities utilization surveys will be conducted on an as-needed basis on all Cuyahoga Community College campuses. The surveys determine how many parking spaces are actually being used during peak times. The data collected during these surveys will be helpful in determining whether more parking is needed and where it should be located.
