We currently have several positions available.

Service Manager - Hamilton Location Only.

The Service Manager is responsible for the day-to-day performance and safety of the branch Service Department and the area field service technicians. This position plans and implements short- and long-term goals for the service department and is accountable for all aspects of the service business including billing, technician performance, repair quality, and customer relations. This includes staff hiring, work allocation, and performance management. The Service Manager contributes to customer satisfaction by ensuring equipment is fixed right the first time, and customers receive clear and accurate communication throughout the repair process. This position works Monday through Friday. No weekend work is required. Occasional overnight travel required.

Preferred competencies, qualifications, and skills for this role are:

- 3 to 5 years' leadership/supervisory experience in a service environment.
- Experience within heavy equipment/golf industry preferred, but related industries such as Rental, Construction, Agriculture, Lift Truck, or Heavy Equipment will be considered.
- Excellent written and verbal communication skills.
- Strong leadership, customer relations, and problem-solving skills required.

Field Service Technician - Hamilton Location Only.

This position performs troubleshooting, diagnostics, evaluations, repairs and maintenance on commercial turf equipment, at customer locations. This includes gas and diesel engines, hydraulic systems, drivelines and electrical systems, and cutting units (reel and rotary). This position interfaces directly with the customer and contributes to customer satisfaction by fixing equipment right the first time and meeting repair promise dates.

Service Technician - Cleveland, Columbus & Hamilton.

This Position performs technical support, mechanical repairs, set-ups and maintenance work on commercial and contractor equipment in a shop environment. This position assists the Service Manager as needed and ensures customer satisfaction by making sure equipment is fixed right the first time, and the repairs get done efficiently and when promised.

Service Apprentice - Speak with Al Kaserman about our Service Apprentice opportunities for *ALL our locations.*****

I have enclosed some brochures. If you have any questions regarding these openings please call Al Kaserman at 419-724-8491, Toll Free: 800-346-0066 or email akaserman@jerrypate.com

Thank you
